

FR Y-14Q Supplementary Schedule Instructions

September 2012 Version

The supplementary schedule is intended to capture gaps in the data collected between the FR Y-14 and the FR Y-9. Not all BHCs will need to complete all cells in the schedule. Refer to the instructions below to determine which part of the schedule you must complete. See the definitions of the loans in each row of the schedule in Appendix A of these instructions.

Refer to the FR Y-14Q/M General Instructions for information on the as-of and filing dates for this schedule and the other FR Y-14Q and FR Y-14M schedules.

For the purposes of reporting this schedule, the carrying value of an asset is defined as the original cost of the asset less any write-downs associated with depreciation, amortization or impairment costs.

Technical instructions on how to submit the data for this schedule will be provided separately. Appendix B provides a visual representation of the data to be collected. BHCs would only be required to complete the data items associated with non-shaded cells.

Provide all dollar unit data in millions of dollars (\$ Millions).

Column A: Immaterial Portfolios

For column A, report the carrying value of loans in immaterial or excluded portfolios that were not reported in the FR Y-14Q or FR Y-14M schedules because they were immaterial based on the FR Y-14 materiality thresholds. If the loans in a given row were reported in the FR Y-14Q or FR Y-14M, leave the row blank.

Column B: Cumulative Gross Charge-offs

Only report column B for categories of loans for which you reported FR Y-14Q or FR Y-14M retail schedules. For each row in column B, report the cumulative lifetime gross charge-offs on loans reported in the FR Y-14Q or FR Y-14M schedules.

Column C: Purchase Impairments and Fair Value Adjustments

Only report column C for categories of loans for which you reported FR Y-14Q or FR Y-14M retail schedules. For each row in column C, report the cumulative lifetime purchase impairments and fair value adjustments on loans reported in the FR Y-14Q or FR Y-14M schedules.

Column D: Commercial Real Estate and Corporate loans under \$1M in committed balance

In column D, report the total carrying value of commercial real estate and corporate loans with under \$1M in committed balance for each of the categories.

Column E: Unplanned Overdrafts

Report any unplanned overdrafts included in the Other Loans line item.

Column F: Auto leases

Report the carrying value of auto leases reported in the FR Y-14Q domestic and international auto schedules.

Column G: Non-Auto leases

Report the carrying value of non-auto leases reported in the FR Y-14Q domestic and international other consumer schedules.

Column H: Non-purpose securities based loans

Report the carrying value of non-purpose securities based loans omitted from the FR Y-14Q domestic and international other consumer schedules.

Column I to Column N: SME and Corporate Card loan:

Report the carrying value of any SME and corporate card loans reported in the respective FR Y-9C line items.

For the purpose of this schedule, report any SME and corporate card loans for which there is any individual liability associated with the sub-lines of the loan such that individual borrower characteristics are taken into account during the underwriting decision, and/or performance on the credit is reported to the credit bureaus.

Do not report loans for which a commercially-graded corporation is ultimately responsible for repayment of credit losses incurred.

Column O to Q: Scored loans:

Report the carrying value of any scored loans reported in the respective FR Y-9C line items.
