

Roger Smith
123 Main Street
North Dakota

Dear North Dakota Upland Bird Hunter:

I am writing to ask for your help in a study of upland bird hunters in North Dakota. The general purpose of the study is to learn more about upland bird hunting patterns so we can provide specific information to wildlife managers and landowners to improve hunting opportunities and the quality of hunting in the state of North Dakota. The study is being supported by the U.S. Department of Agriculture Farm Service Agency, who has asked us here at Colorado State University to help conduct the survey. This survey effort is separate from other surveys conducted by the North Dakota Game & Fish Department (ex. harvest surveys). We would greatly appreciate you filling this survey out even if you have filled out a harvest report for the season. Answering the survey will only take a few minutes, but it has the potential to improve your hunting experience.

Your responses are important to us whether this is the first time you bought a hunting license or the twentieth time. For our sample to represent hunters in your state, it is important that we hear from all different types of hunters, including you (even if there is a more active upland bird hunter in your household). The survey is voluntary, and the results of this survey will be held strictly confidential.

When you have completed the survey please mail it back to us in the enclosed postage paid stamped return envelope. If you have any questions about the survey, please feel free to contact me by calling 970-491-7307 or emailing me at John.Loomis@colostate.edu

Thank you for helping us with this important study and we look forward to receiving your completed survey.

Sincerely,

Dr. John Loomis, Project Manager
Department of Agricultural and Resource Economics

This voluntary survey contains information collections that are covered by the Office of Management and Budget clearance number 0560-XXXX, which expires XX/XX/XXXX. The burden to the public for these voluntary information collections is estimated to average 15 minutes per response, including the time for reviewing instructions, gathering the data needed, and completing and submitting the information collection. Send comments regarding this burden estimate or any other aspect of these information collections, including suggestions for reducing the burden, to Skip Hyberg, Stop 0508, 1400 Independence Avenue, SW, Washington, DC 20250, or by email to skip.hyberg@wdc.usda.gov.

UPLAND BIRD HUNTING IN NORTH DAKOTA

A survey of individuals who hunted upland birds in North Dakota in the 2014/2015 season

A study conducted by the U.S. Department of Agriculture Farm Service Agency, being carried out by Colorado State University. This survey is conducted under authorities provided by Food Security Act of 1985 (Pub. L. 99-198), as amended.

Under Title 7 of the U.S. Code and CIPSEA (Public Law 107-347), facts about your operation are kept **confidential** and used only for statistical purposes. Your help on this study is greatly appreciated!

Please return your completed questionnaire in the self-addressed pre-paid envelope included. Thanks!

PUBLIC BURDEN STATEMENT

This voluntary survey contains information collections that are covered by the Office of Management and Budget clearance number 0560-XXXX, which expires XX/XX/XXXX. The burden to the public for these voluntary information collections is estimated to average 15 minutes per response, including the time for reviewing instructions, gathering the data needed, and completing and submitting the information collection. Send comments regarding this burden estimate or any other aspect of these information collections, including suggestions for reducing the burden, to Skip Hyberg, Stop 0508, 1400 Independence Avenue, SW, Washington, DC 20250, or by email to skip.hyberg@wdc.usda.gov.

I. YOUR 2014/2015 UPLAND BIRD HUNTING SEASON IN ND

You have been contacted because you purchased a upland bird hunting license in 2013. The information you provide will help the North Dakota Game & Fish Department, farmers/ranchers as well as U.S. Department of Agriculture Farm Service agency to improve hunting opportunities for you.

1. Did you hunt upland birds during the 2014/2015 hunting season in ND? Circle one:

Yes (please continue with the survey)

No (please return the uncompleted survey in the postage paid envelope. ***Returning the envelope provides essential information even if you did not hunt.***)

When we ask about your North Dakota **Hunting Season** in the following questions we mean just your upland bird hunting activity in early, regular and late seasons (pheasant, partridge, grouse, and other upland birds) combined during the 2014/2015 season.

When we talk about a **Hunting Trip**, we mean a trip taken for the primary purpose of hunting upland birds.

- 2. How many upland bird hunting trips did you make during this 2014/2015 Hunting Season? _____ # of Trips
- 3. In total, about how many days of upland bird hunting did you take this Hunting Season? _____# of Days
- 4. During the hunting season what percent of your time upland bird hunting was spent on:

Private Lands (including land in PLOTS*) _____% + Public Lands _____% + Right of Ways _____% = 100%

*PLOTS stands for *Private Lands Open To Sportsman*. The program enrolls privately owned acres with public hunting access.

5. ***If you did NOT hunt upland bird on Private Lands, go to Section II. YOUR UPLAND HUNTING EXPERIENCE at bottom of page 2.***

IF you DID hunt upland bird on Private Lands, please tell us about the type of lands you hunted. This will help farmers, ranchers, other landowners and ND Game & Fish better manage for upland birds.

5a. Percent of your time this hunting season spent upland bird hunting on each of the following land cover types:
Cropland _____% + (Type(s) _____) + Grassland _____ % + Wetland/Buffer surrounding wetland _____% + Other _____% = 100%

5b. Percent of your time this season spent upland bird hunting on private land enrolled in the state public access program, PLOTS? _____%

6. Did you hunt upland birds on lands enrolled in the Conservation Reserve Program (CRP)* lands during the 2014/2015 upland bird hunting season? (check one) ___Yes ___No ___Unsure

*CRP land typically resemble tracts of perennial grasses and/or wooded shelter belts occasionally with wetlands intermixed.

If **No** or **Unsure** please go to Question #7.

If **Yes**,

6a. What percent of your time spent upland bird hunting this season was spent:

Directly on lands enrolled in CRP ____% Lands **adjacent** to CRP ____%

7. Is the availability of CRP lands an important factor in your decision of **where to hunt upland birds**? Circle one:

Not at all Slightly Very Extremely
 Important Important Important Important Important

8. Is the availability of CRP lands an important factor in the **quality of upland bird hunting** in the county you hunt most often? Circle one:

Not at all Slightly Very Extremely
 Important Important Important Important Important

II. YOUR UPLAND BIRD HUNTING EXPERIENCE

Please tell us what factors influence your decisions on how often you hunt upland bird.

<i>Please circle one number for each item</i>	Would the following factors increase the amount of upland bird hunting you do in a season?			
	No Change	Not Likely	Likely	Very Likely
1. More free time	1	2	3	4
2. Higher upland game bird populations/success rates	1	2	3	4
3. More areas to hunt & greater access	1	2	3	4
4. Less hunters & fewer crowds	1	2	3	4
5. Lower cost	1	2	3	4
6. Longer hunting seasons	1	2	3	4
7. Other reason (Please list)_____	1	2	3	4

III. YOUR TYPICAL UPLAND BIRD HUNTING TRIP IN NORTH DAKOTA

A **typical hunting trip** is a trip to go upland bird hunting where you go most often.

1. In which county did you most frequently hunt upland birds in during the 2014/2015 season? (See map)

County Name _____

In answering these next few questions, please answer with upland bird hunting trips to this county in mind.

2. How many **trips** did you take to this county to hunt upland birds? _____ # of trips
3. About how many **days** did you spend upland bird hunting on a typical trip? _____ # of days per trip
4. How many of each major category of upland birds did you harvest throughout the course of the 2014/2015 season in this county?
- # of Pheasant _____ # of Grouse _____ #of Partridge _____ # Other Upland bird _____
5. What is your one-way **travel time** from your home on a typical hunting trip? _____ # of hours
6. What is your one-way **travel distance** from your home on a typical hunting trip? _____ # of miles
7. On a typical trip to this county, how many hunters were in your party? _____ # of hunters.

The number of acres enrolled in the Conservation Reserve Program (CRP) has been declining in North Dakota since 2007. CRP acres have fallen by nearly half, from 3.4 million acres to 1.6 million acres. Additional CRP acres are set to expire in the next few years, and if not re-enrolled, could be converted back to crop production.

8. If CRP acres were to decline by an additional 50% in the county you hunt most frequently, would you expect the number of hunting trips you take over the course of the season to this county to change in some way? Check one:

____ No Change in Trips

____ Yes, Fewer Trips → _____ # of fewer upland bird hunting trips each season

____ Yes, More Trips → _____ # of additional upland bird hunting trips each season

IV. SEASONAL UPLAND BIRD HUNTING EXPENDITURES IN NORTH DAKOTA

To understand the economic impact that hunting has on the state, it is important we have an idea of what you spent on upland bird hunting during the 2014/2015 hunting season **in the state of North Dakota ONLY**. Please estimate the expenditures you made for only for yourself, not for others.

	\$ Spent in the County Where you Hunted Most Frequently	\$ Spent in Rest of State of North Dakota
1. Gasoline/travel costs		
2. Restaurants/Bars/Taverns		
3. Grocery stores/liquor stores		
4. Rental Car		
5. Lodging		
6. Access/leasing fees		
7. Guns purchased for upland game hunting		
8. Ammunition		
9. Hunting License		
10. Taxidermy		
11. Repairs to equipment		
12. Special clothing and gear used for upland bird hunting		
13. Dog gear/vet care specifically for upland bird hunting		
14. Other? Please List: _____		

15. Were there any other items purchased out of state specifically for upland game bird hunting in North Dakota? (such as catalog, internet, out of state travel en route, etc.)

- Yes → \$ _____ Please list item _____
- Yes → \$ _____ Please list item _____
- Yes → \$ _____ Please list item _____
- No

V. DEMOGRAPHIC INFORMATION

Please tell us a little something about yourself. These last few questions will help us in evaluating how well our sample represents hunters in the state. **Your answers will be kept strictly confidential and will only be used for the analysis of this study. Statistics will only be reported as an average of overall responses, and you will not be identified in any way.**

1. Are you? Male Female
2. In what year were you born? _____
3. Are you employed? Yes (Go to #3a.) No (Skip to #3d.)
 - 3a. Do you work part time or full time? Full-time Part-time
 - 3b. Do you take time off from work to participate in hunting? Yes No
 - 3c. How many weeks of paid vacation do you receive each year? # _____ of weeks (Go to #4.)
 - 3d. Are you retired? Yes No
4. What is the zip code in which you live _____ County Name _____
5. Are you a member of a hunting or sportsman's organization? Yes No
6. Are you a member at a Private Hunting Club? Yes No
 - 6a. If you belong to a hunting club(s) or sportsman's organization(s) what is the sum of your annual dues?
\$ _____ Annually
7. Your highest level of formal education completed? (Please circle one)

High School Or Less	Associates Degree	College (B.S./B.A) or Technical School	Graduate or Professional School
--------------------------------	------------------------------	---	--
8. Was **your** own income from all sources (before taxes) last year?

<input type="checkbox"/> less than \$19,999	<input type="checkbox"/> \$20,000-\$29,999	<input type="checkbox"/> \$30,000-\$39,999
<input type="checkbox"/> \$40,000-\$59,999	<input type="checkbox"/> \$60,000-\$79,999	<input type="checkbox"/> \$80,000-\$99,999
<input type="checkbox"/> \$100,000-\$149,999	<input type="checkbox"/> \$150,000-\$299,999	<input type="checkbox"/> more than \$300,000

Thank you for completing the survey!
If you have any comments, please write them on the back of the survey.
Please return in the postage paid return envelope we provided.

COMMENTS?

Please feel free to write any comments you have about wildlife management in ND. When you are finished, please place the survey in the stamped return envelope, and mail it back to us.
