INSTRUCTIONS

SECTION A - ACTION(S) REQUESTED: Please check the box next to the action(s) requested. Fill out the sections listed for each action. For actions that include a change in vessel registered to a sablefish-endorsed permit, there are three sub-actions that may take place (stacking, moving, or removing).

1. If a sablefish-endorsed permit is being **stacked**, going from an “unidentified” vessel status to a named vessel, check the first sub-box under “change in vessel registered to a permit.”
2. If a sablefish-endorsed permit is being **moved**, going from one named vessel to another named vessel, check the both sub-boxes under “change in vessel registered to a permit.”
3. If a sablefish-endorsed permit is being **removed**, going from a named vessel to an “unidentified” vessel status, check the second sub-box under “change in vessel registered to a permit.”

SECTION B - CURRENT PERMIT OWNER: Please provide the permit number, vessel name currently registered to the permit, and vessel registration number. List each permit owner(s) name as given on the current permit and the Tax Identification Number (TIN) for a business entity and/or date of birth (DOB) for an individual who is the current permit owner. Either current permit owner(s) or an authorized representative of the permit owner must sign and date the form (See Note Below). A notary must sign and date the certification section, and affix their notary stamp or seal. By signing and dating the application, the applicant certifies that they are authorized to sign this form and that all information set forth in the application is true, correct, and complete to the best of the applicant’s knowledge and belief.

If the space provided in this section is not adequate to list all owners required to sign the form, attach a separate sheet with the heading: “Section B - Current Permit Owner - Attachment.” Please provide permit owner names, signatures, date of signature, and notarize the separate sheet.

SECTION C - CHANGE OF VESSEL REGISTERED TO PERMIT: If you are changing the vessel registered to the permit, please print the current vessel name/number registered to the permit and new vessel name and registration number to be registered to the permit. The “new” vessel name/registration will appear on the reissued permit. List the length overall of both the current and new vessels. If the permit will not be registered to a vessel, indicate “unidentified” for the new vessel name. If NMFS does not have a recent marine survey for the vessel on file, the permit or vessel owner must provide **recent marine survey (conducted in last 3 years) with the length overall measurement to process the request**. If you are requesting the registration of a new vessel to the permit, please fill out Section E.

SECTION D - NEW PERMIT OWNER: Please provide each new permit owner’s name(s), a business address and phone number. Enter the Tax Identification Number (TIN) (if business entity) or date of birth (for an individual) for each new permit owner. If the space provided in this section is not adequate to list all owners, attach a separate sheet with the heading: “Section D - New Permit Owner - Attachment.” **Please check the appropriate box to indicate if the new permit owner is eligible to own a U.S. documented vessel (See Note below).**

SECTION E - VESSEL OWNER: If registering a new vessel to the permit or if the vessel owner has changed, please provide the name of all owner(s) of the vessel as given on either the U.S. Coast Guard Certificate of Documentation (USCG 1270) or state vessel registration document, a business address and phone number. Please provide for each business entity the Tax Identification Number (TIN) and for each individual their date of birth (DOB).

If the space provided in this section is not adequate to list all holders, attach a separate sheet with the heading: “Section E – Vessel Owner - Attachment.” Please provide vessel owner names and the TIN (if business entity) or date of birth (DOB) for individuals. **For sablefish endorsed permits, if the vessel owner is a business entity, an ownership interest form must be submitted.**

SECTION F - SABLEFISH-ENDORSED PERMIT: If you are requesting a change in permit owner, vessel registration and/or vessel owner of a sablefish-endorsed permit at any time during the primary sablefish season (April 1 – October 31), you must complete this section.

This section requires the transferor to give the cumulative amount of sablefish landings against the tier allocation for the current primary sablefish season at the time of transfer and to certify this landing amount by signing and dating this section. Similarly, the transferee (new permit owner or vessel owner) must acknowledge the cumulative amount of sablefish landings given in this section by signing and dating this section.

SUPPLEMENTAL DOCUMENTATION:

Please submit your current limited entry permit with the completed transfer request form.

If registering a new vessel to the permit provide the following: 1) If not already on file with NMFS, a marine survey completed in the last 3 years with a length overall measurement for the vessel; and 2) a copy of USCG vessel documentation or state vessel registration document.

Sablefish Endorsed Permits: If changing permit ownership or vessel registration or ownership on a sablefish endorsed permit and a business entity will be the permit owner or vessel owner on the reissued permit, please provide a sablefish ownership interest form for each business entity,

NMFS may require other documents necessary to determine if such request should be approved. Among the documents NMFS may require include (but not limited to): notarized power of attorney, corporate resolution, certified court documents relative to divorce decrees and judgments or appointments as executor, death and marriage certificates, etc.
