

PRIVACY IMPACT ASSESSMENT (PIA)

For the

USAF MUSEUM SYSTEM VOLUNTEER RECORDS

U.S. AIR FORCE

SECTION 1: IS A PIA REQUIRED?

a. Will this Department of Defense (DoD) information system or electronic collection of information (referred to as an "electronic collection" for the purpose of this form) collect, maintain, use, and/or disseminate PII about members of the public, Federal personnel, contractors or foreign nationals employed at U.S. military facilities internationally? Choose one option from the choices below. (Choose (3) for foreign nationals).

- (1) Yes, from members of the general public.
- (2) Yes, from Federal personnel* and/or Federal contractors.
- (3) Yes, from both members of the general public and Federal personnel and/or Federal contractors.
- (4) No

* "Federal personnel" are referred to in the DoD IT Portfolio Repository (DITPR) as "Federal employees."

b. If "No," ensure that DITPR or the authoritative database that updates DITPR is annotated for the reason(s) why a PIA is not required. If the DoD information system or electronic collection is not in DITPR, ensure that the reason(s) are recorded in appropriate documentation.

c. If "Yes," then a PIA is required. Proceed to Section 2.

SECTION 2: PIA SUMMARY INFORMATION

a. Why is this PIA being created or updated? Choose one:

- New DoD Information System
- New Electronic Collection
- Existing DoD Information System
- Existing Electronic Collection
- Significantly Modified DoD Information System

b. Is this DoD information system registered in the DITPR or the DoD Secret Internet Protocol Router Network (SIPRNET) IT Registry?

- Yes, DITPR Enter DITPR System Identification Number
- Yes, SIPRNET Enter SIPRNET Identification Number
- No

c. Does this DoD information system have an IT investment Unique Project Identifier (UPI), required by section 53 of Office of Management and Budget (OMB) Circular A-11?

- Yes
 - No
- If "Yes," enter UPI

If unsure, consult the Component IT Budget Point of Contact to obtain the UPI.

d. Does this DoD information system or electronic collection require a Privacy Act System of Records Notice (SORN)?

A Privacy Act SORN is required if the information system or electronic collection contains information about U.S. citizens or lawful permanent U.S. residents that is retrieved by name or other unique identifier. PIA and Privacy Act SORN information should be consistent.

- Yes
 - No
- If "Yes," enter Privacy Act SORN Identifier

DoD Component-assigned designator, not the Federal Register number.
Consult the Component Privacy Office for additional information or

f. Authority to collect information. A Federal law, Executive Order of the President (EO), or DoD requirement must authorize the collection and maintenance of a system of records.

(1) If this system has a Privacy Act SORN, the authorities in this PIA and the existing Privacy Act SORN should be the same.

(2) Cite the authority for this DoD information system or electronic collection to collect, use, maintain and/or disseminate PII. (If multiple authorities are cited, provide all that apply.)

(a) Whenever possible, cite the specific provisions of the statute and/or EO that authorizes the operation of the system and the collection of PII.

(b) If a specific statute or EO does not exist, determine if an indirect statutory authority can be cited. An indirect authority may be cited if the authority requires the operation or administration of a program, the execution of which will require the collection and maintenance of a system of records.

(c) DoD Components can use their general statutory grants of authority ("internal housekeeping") as the primary authority. The requirement, directive, or instruction implementing the statute within the DoD Component should be identified.

Authority: 10 U.S.C. 1588, Authority to Accept Certain Voluntary Services; 10 U.S.C. Section 8013, Secretary of the Air Force; 5 U.S.C. 301, Government Organization And Employees; Department of Defense Instruction 1100.21, Voluntary Service in the Department of Defense and Air Force Instruction 84-103, U.S. Air Force Heritage Program.

g. Summary of DoD information system or electronic collection. Answers to these questions should be consistent with security guidelines for release of information to the public.

(1) Describe the purpose of this DoD information system or electronic collection and briefly describe the types of personal information about individuals collected in the system.

To maintain data regarding individuals desiring to serve as volunteers throughout the USAF Museum System.

Name, home and personal cell telephone number, home and electronic mailing address, emergency contact, place and date of birth, employment, education information to include degrees received and subject majors, skills, hobbies, citizenship, military and federal civilian service information, i.e., branch of service, length of military/civilian service, job assignments, and affiliations.

(2) Briefly describe the privacy risks associated with the PII collected and how these risks are addressed to safeguard privacy.

Risk: The possibility of unauthorized personnel gaining access to the locked file cabinets and access to authorized personnel's user name and password.

How mitigated: During Museum working hours, access is limited to the locked file cabinets and the associated database (a commercial product entitled "Volunteer Reporter"). The database is housed on a stand-alone computer that is not connected to the AF GIG. Those with the need to access the database are assigned an individual user name and password. The office area housing this information requires a key card for access. After working hours, Privacy Act information is stored within the locked facility or in the controlled area of the Museum, and Government or Government-contract building security is provided for the exterior of the Museum buildings when closed.

h. With whom will the PII be shared through data exchange, both within your DoD Component and outside your Component (e.g., other DoD Components, Federal Agencies)? Indicate all that apply.

Within the DoD Component.

Specify.

Internal use within the Volunteer Resources Office, Education Division, National Museum of the USAF

Other DoD Components.

i. Do individuals have the opportunity to object to the collection of their PII?

Yes

No

(1) If "Yes," describe method by which individuals can object to the collection of PII.

While some information is necessary to collect in order to sufficiently select and place volunteers and to retrieve information for future requirements, the failure to provide the information requested could impede the effectiveness of placing the potential volunteer in the USAFMS volunteer program. If the individual objects, this can be requested of the Volunteer Resources Office, National Museum of the USAF in writing.

(2) If "No," state the reason why individuals cannot object.

j. Do individuals have the opportunity to consent to the specific uses of their PII?

Yes

No

(1) If "Yes," describe the method by which individuals can give or withhold their consent.

Consent is assumed after the individual is made aware of the DOD Routine Uses and completes the form with the necessary information.

(2) If "No," state the reason why individuals cannot give or withhold their consent.

k. What information is provided to an individual when asked to provide PII data? Indicate all that apply.
