Welcome to the Climate and Health Card Sort Study!

You're being asked to participate in a card sorting study of the CDC's Climate and Health Program website. Your response will help us understand how the website should be organized to make it easier to use. The study shouldn't take longer than 20 minutes to complete.

The data will be used solely for the purposes of improving the Climate and Health Program website. Your name or email address will not be used in any reports and at any time after this study is over.

You may withdraw from the study at any time.

You will receive a \$25 gift card as a token of appreciation for taking part.

If you have questions after the study is over, you can contact Huijuan Wu at huijuan@communicatehealth.com or at (240) 428-1357.

If you agree to participate, please enter your email address to begin.

Public Reporting Burden Statement

Public reporting burden of this collection of information is estimated to average 20 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0923-0047).

Step 1
Take a quick look at the list of items on the left.

Your task is to sort them into groups that make sense to you. These items represent content on or linked from the Climate and Health Program website.

There is no right or wrong answer, just do what comes naturally.

Step 2
When you're ready, drag an item from the left to create your first group.

Sorting Cards

The screenshot displays the OptimalSort interface. On the left is a vertical list of 18 cards. On the right, three categories are open: Climate, Health, and Others. The Climate category contains two cards, Health contains three, and Others contains two. The Actions category is also visible but empty.
