ATSDR Don't Mess With Mercury Webinar

Form Approved OMB No: 0923-0047

Exp Date 5/31/2016

The Agency for Toxic Substances and Disease Registry would like you to participate in a short survey to help us better understand your thoughts on the Don't Mess with Mercury webinar and initiative. Your responses will be completely confidential.

1. What was your general understanding about the dangers of elemental mercury prior to your participation in the Don't Mess with Mercury webinar?

- Very familiar
- Familiar
- Not at all familiar

2. How much was your understanding enhanced by the webinar and educational materials?

- A lot
- Somewhat
- A little
- I already knew what was in the materials
- I'm still uncertain about the dangers of mercury

3. How much of a danger do you believe elemental mercury poses to your school?

- I think elemental mercury poses a big danger
- I think elemental mercury poses somewhat of a danger
- I think elemental mercury poses very little danger
- I think elemental mercury poses no danger

4. Are students in your school aware of the dangers of elemental mercury?

- Yes, we've discussed this
- Not to my knowledge

Other (please specify)

5. Please let us know your thoughts on the lesson plans. Do you think these lesson plans would engage students?

- Yes
- No

Other (please specify)

6. Do you believe these lesson plans are something a middle school teacher would want to use in his or her classroom?

Yes

No

Other (please specify)

7. Is there an area in existing curriculum that might be enhanced by the addition of these lesson plans?

Yes

No

Not applicable

8. If yes, please specify that area and how it would be enhanced.

9. Do you expect the lesson plans to be incorporated into your school's curriculum for this school year?

Yes

No

Other (please specify)

10. Prior to the webinar, were you aware of the mercury-containing objects that may be found in your school?

Yes

No

11. Now that you're aware of products that may contain mercury, do you expect your school to conduct an audit for mercury-containing objects?

Yes

No

Other (please specify)

12. Do you think your school is adequately prepared to handle a mercury spill safely including securing contaminated areas and knowing the appropriate agencies to contact for proper clean-up?

Yes

No

Other (please specify)

13. What additional materials do you think would be helpful to educate students on the dangers of elemental mercury?

14. What is your current title? What grade do you teach?

*** 15. Please tell us which school/district you currently work for.**
