Subject: Fwd: ok with a registry but see no need to go further on 3 months and 6 months and on into eternity to gouge taxpayers into paying for this

WE ONLY NEED A FIRST STEP ON THIS AT THIS TIME IN THIS ECONOMIC CLIMATE. JUST DO A REGISTRY TO SEE HOW MANY PEOPLE HAVE THIS DISEASE. I DO NOT SUPPORT SPENDING AMERICAN TAX DOLLARS ON ANY MORE THAN JUST AN INITIAL REGISTRY TO SEE WHAT PROPORTION OF THE US POPULATION IS AFFECTED. THIS APPEARS TO BE GOING IN WHOLE HOG BEFORE WE KNOW IF THERE ARE 2 OR 2,000 PEOPLE AFFECTED. THIS COMMENT IS FOR THE PUBLIC RECORD. THIS AGENCY WANTS TO SPEND AND SPEND AND SPEND. THEY HAVE NO CONCEPTION OF THEIR GOUGING TAXPAYERS SO THAT US TAXPAYERS ARE ENDING UP IN BANKRUPTCY OR POVERTY. WE NEED SMALLER, CHEAPER GOVT THAT IS MORE EFFECTIVE. RIGHT NOW WE HAVE FAT CAT BUREAUCRATS OUT TO SOAK ALL US TAXPAYERS. THIS COMMENT IS FOR THE PUBLIC RECORD. JEAN PUBLIC
