

ATTACHMENT F

Observation Form

Observer (initials):

Study site #:

Day of observation:

Beginning time:

Ending time:

Please note the start time and end time of each instant where you observe patient-reported information being used by the clinician or office staff (PERSON, e.g., physician), what task is performed (TASK, e.g., reading an e-mail sent by a patient), the technology used (TECHNOLOGY, e.g., e-mail, and then the text is copied and pasted into the EHR), the environment (ENVIRONMENT, e.g., physician’s office), and remarks about the organization (ORGANIZATION).

| TIME | PERSON | TASKS | TECHNOLOGIES | ENVIRONMENT | ORGANIZATION |
|-------------|---------------|--------------|---------------------|--------------------|---------------------|
