## Form A: Additional Locations

[Print](#) [Save](#) [Back](#) [Next](#)

Please provide the requested information for each location in your business organization. You must provide the unique National Supplier Clearinghouse (NSC) Provider Transaction Access Number (PTAN) that applies to each location. The NSC PTAN is hereafter referred to as PTAN. If you are bidding as a network, the primary network member should provide information for all its locations first.

Required fields are marked with \*

## Identifying Information

Provide the legal business name and mailing address for the location identified by PTAN below. Important Note: The PTAN identified in this section must correspond with the location being identified in this section.

Legal Business Name \*

Address Line 1 \*

Address Line 2
