Required fields are marked with ★

Listed below are the top HCPCS codes, in terms of allowed charges, for this product category. Identify the manufacturer(s), model name(s) and model number(s) of all products that you plan to make available to Medicare beneficiaries in this CBA. You must provide information for each HCPCS code in order for your bid to be complete.

If you are bidding in the national mail order competition for diabetic testing supplies, national mail-order competition you must provide manufacturer and model information for the codes identified below. In order to meet the 50% rule you must complete the "50 Percent Compliance Form" located on the CBIC website identifying the products you plan to provide for HCPCS code A4253. In order for your bid to be considered, this form must be submitted to the CBIC as part of your package of hardcopy documents. This form is a requirement and failure to submit will result in disqualification of your bid.

If a contract is awarded, the information entered on this screen will be displayed to the public in the online Medicare Supplier Directory located at <http://www.medicare.gov>. ★
