102.	Work Sheet L	Line 25, Column 3	Add a number cell:	A space to total out column 2.	CMS will need a total to break down into the Per Member Per Month amount. This line computes this amount.
103.	Work Sheet L	Column Titled "Description" , Line 26	Add a new line:	"Cost PMPM (Line 25/ Line 1)....."	This labels the calculation so that the Per Member Per Month amount can be determined.
104.	Work Sheet L	Line 26, Columns 1,4,5.	Add a block of grey:	These columns on this line should be grayed out exactly like line 18 on the same Work Sheet.	These columns are not in use for this cost center on this worksheet.
105.	Work Sheet L	Line 26, Column 2	Formula:	This number divides the amount in Column 2, Line 25 by Column 2, Line 1.	This Cost Center is reimbursed at 100%, but needs to be broken up into a Per Member Per Month amount. Worksheet L accomplishes this task.
106.	Work Sheet L	Line 26, Column 3	Add a number cell:	A space to total out column 2 in PMPM amounts.	CMS will need a total to break down into the Per Member Per Month amount. This line computes the number.

107.	Work Sheet L	Column 6, Line 26	Add:	“M 16a”	This is the Work Sheet and Line that the number in Column 3, Line 26 transfers to from this page.
108.	Work Sheet M	Column 3, Line 16a	Linked to:	This space should be protected and pull information from Work Sheet L, Column 3, Line 26	This will pull the correct amount from a previous Work Sheet
109.	Work Sheet N	Column Titled “Premium Determinations Covered by this Part”, Line 8c	Change line to read:	“CO pd by MAC/Carrier/Inter (Worksheet G, Col 2, Line 23&24/WS D, Pt E, Col 2, Ln 1)	This is a CMS correction to the Cost Report.
110.	Work Sheet N	Column 3, Line 8a	Linked to:	This space should be protected and pull information from Worksheet M, Column 4, Sum of lines 8-11	This removed the potential for data entry error by following the instructions and calculating this cell correctly by linking it to the referenced cells.
111.	Work Sheet N	Column 3, Line 8b	Linked to:	This space should be protected and pull information from Worksheet M, Column 3, Line 13	This removed the potential for data entry error by following the instructions and calculating this cell correctly by linking it to the referenced cells.
112.	Work Sheet N	Column 3, Line 8c	Linked to:	This space should be protected and pull information from Worksheet G, Col 2, Line 23&24/WS D, Pt E, Col 2, Ln 1	This removed the potential for data entry error by following the instructions and calculating this cell correctly by linking it to the referenced cells.

113.	Work Sheet N	Line 9a	Change Line Number	Changes line number from 9 to 9a	This is a CMS change to the Cost Report that reflects a new line number.
114.	Work Sheet N	Column Titled “Premium Determination Covered by this Part”, Line 9a	Change line to read:	“Involuntary under/ (over) collection for the prior period (Worksheet N, Line 11/12b, respectively) **Note** Prior period = Current period – 2 years”.	This is a CMS change to the Cost Report that reflects the proper number pulled from the prior period Worksheet N.
115.	Work Sheet N	Column Titled “Premium Determination Covered by this Part”, Line 9b	Add line	Line will read “Prior Period Member Months”	This is a CMS change to the Cost Report to correctly reflect prior period collections at the current period’s membership.
116.	Work sheet N	Column Titled “Premium Determination Covered by this Part”, Line 9b	Linked to:	This space should be linked to the prior period, Worksheet N, Line 0.	This is a CMS change to the Cost Report to correctly reflect prior period collections at the current period’s membership.
117.	Work sheet N	Column Titled “Premium Determination Covered by this Part”, Line 9c	Add line	Line will read “Gross under/ (over) collections from prior period”	This is a CMS change to the Cost Report to correctly reflect prior period collections at the current period’s membership.

118.	Work sheet N	Column Titled "Premium Determination Covered by this Part", Line 9c	Formula:	This line will calculate as the product of Line 9a * Line 9b.	This is a CMS change to the Cost Report to correctly reflect prior period collections at the current period's membership.
119.	Work sheet N	Column Titled "Premium Determination Covered by this Part", Line 9d	Add line:	Line will read "Adjusted under/ (over) collection from the prior period"	This is a CMS change to the Cost Report to correctly reflect prior period collections at the current period's membership.
120.	Work sheet N	Column Titled "Premium Determination Covered by this Part", Line 9d	Formula:	This line will calculate as Line 9c divided by Line 0.	This is a CMS change to the Cost Report to correctly reflect prior period collections at the current period's membership.
121.	Work Sheet N	Column Titled "Premium Determination Covered by this Part", Line 10	Change line to read:	"Total Amount Allowed to be charged (line 8d plus line 9d)"	This is a CMS change to the Cost Report that reflects the cumulative actual amount allowed to be charged for the current period.

122.	Work Sheet N	Column Titled “Premium Determination Covered by this Part”, Line 10	Formula	This line will calculate as Line 8d plus line 9d	This is a CMS change to the Cost Report that reflects the cumulative actual amount allowed to be charged for the current period.
123.	Work Sheet N	Column Titled “Premium Determination Covered by this Part”, Line 11	Change line to read:	“Actual under (over) collection for the period (Line 10 minus Line 7). Stop here is (over)collection.”	This is a CMS change to the Cost Report to calculate the actual under or over collection for the period.
124.	Work Sheet N	Column Titled “Premium Determination Covered by this Part”, Line 11	Formula:	Change this line to calculate as Line 10 minus Line 7	This is a CMS change to the Cost Report to calculate the actual under or over collection for the period.
125.	Work sheet N	Column Titled “Premium Determination Covered by this Part”, Line 12	Change line to read:	“Budgeted Voluntary under collection for the period (Worksheet B, Line 8)”	This is a CMS change to the Cost Report to reflect budgeted under collections estimated on the Budget Report.
126.	Work sheet N	Column Titled “Premium Determination Covered by	Linked to:	This line will link to the current period’s Worksheet B, Line 8.	This is a CMS change to the Cost Report to reflect budgeted under collections estimated on the Budget Report.

		this Part”, Line 12			
127.	Work sheet N	Column Titled “Premium Determination Covered by this Part”, Line 12a	Add line:	Line will read “Actual Voluntary Under collection – no recoupment”	This is a CMS change to the cost report to limit any budgeted under collections from the budget report to actual under collections.
128.	Work sheet N	Column Titled “Premium Determination Covered by this Part”, Line 12a	Formula:	Line will calculate as either the voluntary under collection from the budget report, or the actual under collection, whichever is less.	This is a CMS change to the cost report to limit any budgeted under collections from the budget report to actual under collections.
129.	Work sheet N	Column Titled “Premium Determination Covered by this Part”, Line 12b	Add line	Line will read “Involuntary under collection – may recoup during subsequent period”	This is a CMS change to the cost report to limit any budgeted under collections from the budget report to actual under collections and allow recoupment of involuntary under collections in future periods.
130.	Work sheet N	Column Titled “Premium Determination Covered by this Part”, Line 12b	Formula:	Line will calculate as the different between the actual under collection and the voluntary under collection calculated on Worksheet B, Line 8 of the budget report.	This is a CMS change to the cost report to limit any budgeted under collections from the budget report to actual under collections and allow recoupment of involuntary under collections in future periods.
