

OCR HIPAA Audit Covered Entity Survey

Page 1 - Introduction

The purpose of this survey is to obtain your feedback, as an audited covered entity, on the HIPAA Compliance Audit Program conducted by KPMG under contract with the Office for Civil Rights (OCR), Department of Health and Human Services. Information obtained from you in response to this survey will only be used to assess the audit program and will not be used to further assess your entity's HIPAA compliance or affect your chance of being selected for additional review by OCR.

OCR requests one collective response from your organization. If multiple individuals at your organization oversee different aspects of HIPAA compliance (e.g. privacy officer, security officer, etc.) please consult with those persons while completing this survey.

The survey consists of 17 questions and should take approximately 15-40 minutes to complete. It has been approved by the Office of Management and Budget (OMB). (Control #####)

OCR has contracted PricewaterhouseCoopers, LLP to conduct the survey and aggregate the results. Questions about the survey may be directed to Erika Ball, Erika.L.Ball@us.pwc.com. Questions about the HIPAA audit program may be directed to Linda Sanches, Linda.Sanches@hhs.gov, Office for Civil Rights, Department of Health and Human Services.

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0945-xxxx . The time required to complete this information collection is estimated to average 27 minutes per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to:
