The Procedures

The telephone system will randomly select calls for inclusion in the survey process at the beginning of the call. Customer Service Representatives (CSRs) will be notified their call was selected by a display on their Aspect screen. The teleset display will show – “Offer Cust Sat Survey”. The display will show throughout the call except when the call is placed on hold.

Note: If the CSR is going to transfer the caller to another number or application, (the taxpayer would not have normally hung up) do not notify the caller or offer the survey
