

SECTION E

Section 301 and Section 302 of the Rehabilitation Act And Associated Regulations

Sec. 301. Declaration of Purpose and Competitive Basis of Grants and Contracts

(a) Purpose

It is the purpose of this title to authorize grants and contracts to--

(1)(A) provide academic training to ensure that skilled personnel are available to provide rehabilitation services to individuals with disabilities through vocational, medical, social, and psychological rehabilitation programs (including supported employment programs), through economic and business development programs, through independent living services programs, and through client assistance programs; and

(B) provide training to maintain and upgrade basic skills and knowledge of personnel (including personnel specifically trained to deliver services to individuals with disabilities whose employment outcome is self-employment or telecommuting) employed to provide state-of-the-art service delivery and rehabilitation technology services;

(2) conduct special projects and demonstrations that expand and improve the provision of rehabilitation and other services (including those services provided through community rehabilitation programs) authorized under this Act, or that otherwise further the purposes of this Act, including related research and evaluation;

(3) provide vocational rehabilitation services to individuals with disabilities who are migrant or seasonal farmworkers;

(4) initiate recreational programs to provide recreational activities and related experiences for individuals with disabilities to aid such individuals in employment, mobility, socialization, independence, and community integration; and

(5) provide training and information to individuals with disabilities and the individuals' representatives, and other appropriate parties to develop the skills necessary for individuals with disabilities to gain access to the rehabilitation system and statewide workforce investment systems and to become active decisionmakers in the rehabilitation process.

(b) Competitive Basis of Grants and Contracts

The Secretary shall ensure that all grants and contracts are awarded under this title on a competitive basis.

Sec. 302. Training

(a) Grants and Contracts for Personnel Training

(1) Authority

The Commissioner shall make grants to, and enter into contracts with, States and public or nonprofit agencies and organizations (including institutions of higher education) to pay part of the cost of projects to provide training, traineeships, and related activities, including the provision of technical assistance, that are designed to assist in increasing the numbers of, and upgrading the skills of, qualified personnel (especially rehabilitation counselors) who are trained in providing vocational, medical, social, and psychological rehabilitation services, who are trained to assist individuals with communication and related disorders, who are trained to provide other services provided under this Act, to individuals with disabilities, and who may include--

(A) personnel specifically trained in providing employment assistance to individuals with disabilities through job development and job placement services;

(B) personnel specifically trained to identify, assess, and meet the individual rehabilitation needs of individuals with disabilities, including needs for rehabilitation technology;

(C) personnel specifically trained to deliver services to individuals who may benefit from receiving independent living services;

(D) personnel specifically trained to deliver services in the client assistance programs;

(E) personnel specifically trained to deliver services, through supported employment programs, to individuals with a most significant disability; and

(F) personnel specifically trained to deliver services to individuals with disabilities pursuing self-employment, business ownership, and telecommuting; and

(G) personnel trained in performing other functions necessary to the provision of vocational, medical, social, and psychological rehabilitation services, and other services provided under this Act.

(2) Authority to provide scholarships

Grants and contracts under paragraph (1) may be expended for scholarships and may include necessary stipends and allowances.

(3) Related federal statutes

In carrying out this subsection, the Commissioner may make grants to and enter into contracts with States and public or nonprofit agencies and organizations, including institutions of higher education, to furnish training regarding provisions of Federal statutes, including section 504, title I of the Americans with Disabilities Act of 1990 (42 U.S.C. 12111 et seq.), and the provisions of titles II and XVI of the Social Security Act (42 U.S.C. 401 et seq. and 1381 et seq.), that are related to work incentives for individuals with disabilities.

(4) Training for statewide workforce systems personnel

The Commissioner may make grants to and enter into contracts under this subsection with States and public or nonprofit agencies and organizations, including institutions of higher education, to furnish training to personnel providing services to individuals with disabilities under title I of the Workforce Investment Act of 1998. Under this paragraph, personnel may be trained--

(A) in evaluative skills to determine whether an individual with a disability may be served by the State vocational rehabilitation program or another component of a statewide workforce investment system; or

(B) to assist individuals with disabilities seeking assistance through one-stop delivery systems described in section 134(c) of the Workforce Investment Act of 1998.

(5) Joint funding

Training and other activities provided under paragraph (4) for personnel may be jointly funded with the Department of Labor, using funds made available under title I of the Workforce Investment Act of 1998.

(b) Grants and Contracts for Academic Degrees and Academic Certificate Granting Training Projects

(1) Authority

(A) In general

The Commissioner may make grants to, and enter into contracts with, States and public or nonprofit agencies and organizations (including institutions of higher education) to pay part of the costs of academic training projects to provide training that leads to an academic degree or academic certificate. In making such grants or entering into such contracts, the Commissioner shall target funds to areas determined under subsection (e) to have shortages of qualified personnel.

(B) Types of projects

Academic training projects described in this subsection may include--

(i) projects to train personnel in the areas of assisting and supporting individuals with disabilities pursuing self-employment, business ownership, and telecommuting, and of vocational rehabilitation counseling, rehabilitation technology, rehabilitation medicine, rehabilitation nursing, rehabilitation social work, rehabilitation psychiatry, rehabilitation psychology, rehabilitation dentistry, physical therapy, occupational therapy, speech pathology and audiology, physical education, therapeutic recreation, community rehabilitation programs, or prosthetics and orthotics;

(ii) projects to train personnel to provide--

(I) services to individuals with specific disabilities or individuals with disabilities who have specific impediments to rehabilitation, including individuals who are members of populations that are unserved or underserved by programs under this Act;

(II) job development and job placement services to individuals with disabilities;

(III) supported employment services, including services of employment specialists for individuals with disabilities;

(IV) specialized services for individuals with significant disabilities; or

(V) recreation for individuals with disabilities;

(iii) projects to train personnel in other fields contributing to the rehabilitation of individuals with disabilities; and

(iv) projects to train personnel in the use, applications, and benefits of rehabilitation technology.

(2) Application

No grant shall be awarded or contract entered into under this subsection unless the applicant has submitted to the Commissioner an application at such time, in such form, in accordance with such procedures, and including such information as the Secretary may require, including--

(A) a description of how the designated State unit or units will participate in the project to be funded under the grant or contract, including, as appropriate, participation on advisory committees, as practicum sites, in curriculum development, and in other ways so as to build closer relationships between the applicant and the designated State unit and to encourage students to pursue careers in public vocational rehabilitation programs;

(B) the identification of potential employers that provide employment that meets the requirements of paragraph (5)(A)(i); and

(C) an assurance that data on the employment of graduates or trainees who participate in the project is accurate.

(3) Limitation

(A) In general

Except as provided in subparagraph (B), no grant or contract under this subsection may be used to provide any one course of study to an individual for a period of more than 4 years.

(B) Exception

If a grant or contract recipient under this subsection determines that an individual has a disability which seriously affects the completion of training under this subsection, the grant or contract recipient may extend the period referred to in subparagraph (A).

(4) Authority to provide scholarships

Grants and contracts under paragraph (1) may be expanded to provide services that include the provision of scholarships and necessary stipends and allowances.

(5) Agreements

(A) Contents

A recipient of a grant or contract under this subsection shall provide assurances to the Commissioner that each individual who receives a scholarship, for any academic year beginning after June 1, 1992, utilizing funds provided under such grant or contract shall enter into an agreement with the recipient under which the individual shall--

(i) maintain employment--

(I) in a nonprofit rehabilitation agency or related agency or in a State rehabilitation agency or related agency, including a professional corporation or professional practice group through which the individual has a service arrangement with the designated State agency;

(II) on a full- or part-time basis; and

(III) for a period of not less than the full-time equivalent of 2 years for each year for which assistance under this section was received by the individual, within a period, beginning after the recipient completes the training for which the scholarship was awarded, of not more than the sum of the number of years in the period described in subclause (III) and 2 additional years; and

(ii) repay all or part of any scholarship received, plus interest, if the individual does not fulfill the requirements of clause (i), except as the Commissioner by regulation may provide for repayment exceptions and deferrals.

(B) Enforcement

The Commissioner shall be responsible for the enforcement of each agreement entered into under subparagraph (A) upon completion of the training involved under such subparagraph.

(c) Grants to Historically Black Colleges and Universities

The Commissioner, in carrying out this section, shall make grants to historically Black colleges and universities and other institutions of higher education whose minority student enrollment is at least 50 percent of the total enrollment of the institution.

(d) Application

A grant may not be awarded to a State or other organization under this section unless the State or organization has submitted an application to the Commissioner at such time, in such form, in accordance with such procedures, and containing such information as the Commissioner may require. Any such application shall include a detailed description of strategies that will be utilized to recruit and train individuals so as to reflect the diverse populations of the United States as part of the effort to increase the number of individuals with disabilities, and individuals who are from linguistically and culturally diverse backgrounds, who are available to provide rehabilitation services.

(e) Evaluation and Collection of Data

The Commissioner shall evaluate the impact of the training programs conducted under this section, and collect information on the training needs of, and data on shortages of qualified personnel necessary to provide services to individuals with disabilities. The Commissioner shall prepare and submit to Congress, by September 30 of each fiscal year, a report setting forth and justifying in detail how the funds made available for training under this section for the fiscal year prior to such submission are allocated by professional discipline and other program areas. The report shall also contain findings on such personnel shortages, how funds proposed for the succeeding fiscal year will be allocated under the President's budget proposal, and how the findings on personnel shortages justify the allocations.

(f) Grants for the Training of Interpreters

(1) Authority

(A) In general

For the purpose of training a sufficient number of qualified interpreters to meet the communications needs of individuals who are deaf or hard of hearing, and individuals who are deaf-blind, the Commissioner, acting through a Federal office responsible for deafness and

communicative disorders, may award grants to public or private nonprofit agencies or organizations to pay part of the costs--

(i) for the establishment of interpreter training programs; or

(ii) to enable such agencies or organizations to provide financial assistance for ongoing interpreter training programs.

(B) Geographic areas

The Commissioner shall award grants under this subsection for programs in geographic areas throughout the United States that the Commissioner considers appropriate to best carry out the objectives of this section.

(C) Priority

In awarding grants under this subsection, the Commissioner shall give priority to public or private nonprofit agencies or organizations with existing programs that have a demonstrated capacity for providing interpreter training services.

(D) Funding

The Commissioner may award grants under this subsection through the use of--

(i) amounts appropriated to carry out this section; or

(ii) pursuant to an agreement with the Director of the Office of the Special Education Program (established under section 603 of the Individuals with Disabilities Education Act (as amended by section 101 of the Individuals with Disabilities Education Act Amendments of 1997 (Public Law 105-17))), amounts appropriated under section 686 of the Individuals with Disabilities Education Act.

(2) Application

A grant may not be awarded to an agency or organization under paragraph (1) unless the agency or organization has submitted an application to the Commissioner at such time, in such form, in accordance with such procedures, and containing such information as the Commissioner may require, including--

(A) a description of the manner in which an interpreter training program will be developed and operated during the 5-year period following the date on which a grant is received by the applicant under this subsection;

(B) a demonstration of the applicant's capacity or potential for providing training for interpreters for individuals who are deaf or hard of hearing, and individuals who are deaf-blind;

(C) assurances that any interpreter trained or retrained under a program funded under the grant will meet such minimum standards of competency as the Commissioner may establish for purposes of this subsection; and

(D) such other information as the Commissioner may require.

(g) Technical Assistance and In-Service Training

(1) Technical assistance

The Commissioner is authorized to provide technical assistance to State designated agencies and community rehabilitation programs, directly or through contracts with State designated agencies or nonprofit organizations.

(2) Compensation

An expert or consultant appointed or serving under contract pursuant to this section shall be compensated at a rate, subject to approval of the Commissioner, that shall not exceed the daily equivalent of the rate of pay for level 4 of the Senior Executive Service Schedule under section 5382 of title 5, United States Code. Such an expert or consultant may be allowed travel and transportation expenses in accordance with section 5703 of title 5, United States Code.

(3) In-service training of rehabilitation personnel

(A) Projects

Subject to subparagraph (B), at least 15 percent of the sums appropriated to carry out this section shall be allocated to designated State agencies to be used, directly or indirectly, for projects for in-service training for rehabilitation personnel, consistent with the needs identified through the comprehensive system for personnel development required by section 101(a)(7), including projects designed--

(i) to address recruitment and retention of qualified rehabilitation professionals;

(ii) to provide for succession planning;

(iii) to provide for leadership development and capacity building; and

(iv) for fiscal years 1999 and 2000, to provide training regarding the Workforce Investment Act of 1998 and the amendments to this Act made by the Rehabilitation Act Amendments of 1998.

(B) Limitation

If the allocation to designated State agencies required by subparagraph (A) would result in a lower level of funding for projects being carried out on the date of enactment of the Rehabilitation Act Amendments of 1998 by other recipients of funds under this section, the Commissioner may allocate less than 15 percent of the sums described in subparagraph (A) to designated State agencies for such in-service training.

(h) Provision of Information

The Commissioner, subject to the provisions of section 306, may require that recipients of grants or contracts under this section provide information, including data, with regard to the impact of activities funded under this section.

(i) Authorization of Appropriations

There are authorized to be appropriated to carry out this section such sums as may be necessary for each of the fiscal years 1999 through 2003.

Subpart A--General

Sec. 385.1 What is the Rehabilitation Training program?

(a) The Rehabilitation Training program is designed to--

(1) Ensure that skilled personnel are available to provide rehabilitation services to individuals with disabilities through vocational, medical, social, and psychological rehabilitation programs, through supported employment programs, through independent living services programs, and through client assistance programs;

(2) Maintain and upgrade basic skills and knowledge of personnel employed to provide state-of-the-art service delivery systems and rehabilitation technology services; and

(3) Provide training and information to individuals with disabilities, the parents, families, guardians, advocates, and authorized representatives of the individuals, and other appropriate parties to develop the skills necessary for individuals with disabilities to access the rehabilitation system and to become active decisionmakers in the rehabilitation process.

(b) The Secretary awards grants and contracts to pay part of the costs of projects for training, traineeships, and related activities, including the provision of technical assistance, to assist in increasing the numbers of qualified personnel trained in providing rehabilitation services and other services provided under the Act, to individuals with disabilities. Financial assistance is provided through six categories of training programs:

(1) Rehabilitation Long-Term Training (34 CFR Part 386).

(2) Experimental and Innovative Training (34 CFR Part 387).

(3) State Vocational Rehabilitation Unit In-Service Training (34 CFR Part 388).

(4) Rehabilitation Continuing Education Programs (34 CFR Part 389).

(5) Rehabilitation Short-Term Training (34 CFR Part 390).

(6) Training of Interpreters for Individuals Who Are Deaf and Individuals Who Are Deaf-Blind (34 CFR Part 396).

(b) The following definitions also apply to programs under the Rehabilitation Training program:

Act means the Rehabilitation Act of 1973 (29 U.S.C. 701 et seq.), as amended.

Assistive technology device means any item, piece of equipment, or product system, whether acquired commercially off the shelf, modified, or customized, that is used to increase, maintain, or improve functional capabilities of individuals with disabilities.

Assistive technology service means any service that directly assists an individual with a disability in the selection, acquisition, or use of an assistive technology device. The term includes--

(1) The evaluation of the needs of an individual with a disability, including a functional evaluation of the individual in the individual's customary environment;

(2) Purchasing, leasing, or otherwise providing for the acquisition of assistive technology devices by individuals with disabilities;

(3) Selecting, designing, fitting, customizing, adapting, applying, maintaining, repairing, or replacing of assistive technology devices;

(4) Coordinating and using other therapies, interventions, or services with assistive technology devices, such as those associated with existing education and rehabilitation plans and programs;

(5) Training or technical assistance for an individual with disabilities, or, if appropriate, the family of an individual with disabilities; and

(6) Training or technical assistance for professionals (including individuals providing education and rehabilitation services), employers, or other individuals who provide services to, employ, or are otherwise substantially involved in the major life functions of individuals with disabilities.

Community rehabilitation program means a program that provides directly or facilitates the provision of vocational rehabilitation services to individuals with disabilities, and that provides, singly or in combination, for an individual with a disability to enable the individual to maximize opportunities for employment, including career advancement--

(1) Medical, psychiatric, psychological, social, and vocational services that are provided under one management;

(2) Testing, fitting, or training in the use of prosthetic and orthotic devices;

(3) Recreational therapy;

(4) Physical and occupational therapy;

(5) Speech, language, and hearing therapy;

(6) Psychiatric, psychological, and social services, including positive behavior management;

(7) Assessment for determining eligibility and vocational rehabilitation needs;

(8) Rehabilitation technology;

(9) Job development, placement, and retention services;

(10) Evaluation or control of specific disabilities;

(11) Orientation and mobility services for individuals who are blind;

(12) Extended employment;

(13) Psychosocial rehabilitation services;

(14) Supported employment services and extended services;

(15) Services to family members when necessary to the vocational rehabilitation of the individual;

(16) Personal assistance services; or

(17) Services similar to the services described in paragraphs (1) through (16) of this definition.

Designated State agency means an agency designated under section 101(a)(1)(A) of the Act.

Designated State unit means (1) Any State agency unit required under section 101(a)(2)(A) of the Act, or (2) In cases in which no State agency unit is required, the State agency described in section 101(a)(2)(B)(i) of the Act.

Independent living core services means--

(1) Information and referral services;

(2) Independent living skills training;

(3) Peer counseling, including cross-disability peer counseling; and

(4) Individual and systems advocacy.

Independent living services includes--

- (1) Independent living core services; and
- (2)(i) Counseling services, including psychological, psychotherapeutic, and related services;
- (ii) Services related to securing housing or shelter, including services related to community group living, and supportive of the purposes of this Act and of the titles of this Act, and adaptive housing services (including appropriate accommodations to and modifications of any space used to serve, or occupied by, individuals with disabilities);
- (iii) Rehabilitation technology;
- (iv) Mobility training;
- (v) Services and training for individuals with cognitive and sensory disabilities, including life skills training, and interpreter and reader services;
- (vi) Personal assistance services, including attendant care and the training of personnel providing these services;
- (vii) Surveys, directories, and other activities to identify appropriate housing, recreation opportunities, and accessible transportation, and other support services;
- (viii) Consumer information programs on rehabilitation and independent living services available under this Act, especially for minorities and other individuals with disabilities who have traditionally been unserved or underserved by programs under this Act;
- (ix) Education and training necessary for living in the community and participating in community activities;
- (x) Supported living;
- (xi) Transportation, including referral and assistance for transportation;
- (xii) Physical rehabilitation;
- (xiii) Therapeutic treatment;
- (xiv) Provision of needed prostheses and other appliances and devices;
- (xv) Individual and group social and recreational services;
- (xvi) Training to develop skills specifically designed for youths who are individuals with disabilities to promote self-awareness and esteem, develop advocacy and self-empowerment skills, and explore career options;
- (xvii) Services for children;
- (xviii) Services under other Federal, State, or local programs designed to provide resources, training, counseling, or other assistance of substantial benefit in enhancing the independence, productivity, and quality of life of individuals with disabilities;
- (xvix) Appropriate preventive services to decrease the need of individuals assisted under this Act for similar services in the future;
- (xx) Community awareness programs to enhance the understanding and integration of individuals with disabilities; and
- (xxi) Such other services as may be necessary and not inconsistent with the provisions of this Act.

Individual with a disability means any individual who--

(1) Has a physical or mental impairment, which for that individual constitutes or results in a substantial impediment to employment; and

(2) Can benefit in terms of an employment outcome from vocational rehabilitation services provided pursuant to title I, II, III, VI, or VIII of the Act.

Individual with a severe disability means an individual with a disability--

(1) Who has a severe physical or mental impairment that seriously limits one or more functional capacities (such as mobility, communication, self-care, self-direction, interpersonal skills, work tolerance, or work skills) in terms of an employment outcome;

(2) Whose vocational rehabilitation can be expected to require multiple vocational rehabilitation services over an extended period of time; and

(3) Who has one or more physical or mental disabilities resulting from amputation, arthritis, autism, blindness, burn injury, cancer, cerebral palsy, cystic fibrosis, deafness, head injury, heart disease, hemiplegia, hemophilia, respiratory or pulmonary dysfunction, mental retardation, mental illness, multiple sclerosis, muscular dystrophy, musculo-skeletal disorders, neurological disorders (including stroke and epilepsy), paraplegia, quadriplegia and other spinal cord conditions, sickle-cell anemia, specific learning disabilities, end-stage renal disease, or another disability or combination of disabilities determined on the basis of an assessment for determining eligibility and vocational rehabilitation needs.

Institution of higher education has the meaning given the term in section 1201(a) of the Higher Education Act of 1965 (20 U.S.C. 1141(a)).

Personal assistance services means a range of services provided by one or more persons designed to assist an individual with a disability to perform daily living activities on or off the job that the individual would typically perform if the individual did not have a disability. The services shall be designed to increase the individual's control in life and ability to perform everyday activities on or off the job.

Qualified personnel: (1) For designated State agencies or designated State units, means personnel who have met standards that are consistent with existing national or State approved or recognized certification, licensing, registration, or other comparable requirements that apply to the area in which such personnel are providing vocational rehabilitation services.

(2) For other than designated State agencies or designated State units, means personnel who have met existing State certification or licensure requirements, or in the absence of State requirements, have met professionally accepted requirements established by national certification boards.

Rehabilitation technology means the systematic application of technologies, engineering methodologies, or scientific principles to meet the needs of and address the barriers confronted by individuals with disabilities in areas that include education, rehabilitation, employment, transportation, independent living, and recreation. The term includes rehabilitation engineering, assistive technology devices, and assistive technology services.

State includes, in addition to each of the several States of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the United States Virgin Islands, Guam, American Samoa, the Commonwealth of the Northern Mariana Islands and the Republic of Palau (until the Compact of Free Association with Palau takes effect).

Stipend means financial assistance on behalf of individuals in support of their training, as opposed to salary payment for services provided within the project.

Supported employment means--

(1) Competitive work in integrated work settings for individuals with the most severe disabilities--

(i)(A) For whom competitive employment has not traditionally occurred; or

(B) For whom competitive employment has been interrupted or intermittent as a result of a severe disability; and

(ii) Who, because of the nature and severity of their disability, need intensive supported employment services from the designated State unit and extended services after transition in order to perform this work.

(2) Transitional employment for individuals with the most severe disabilities due to mental illness.

Supported employment services means ongoing support services and other appropriate services needed to support and maintain an individual with most severe disability in supported employment, that are--

(1) Provided singly or in combination and are organized and made available in such a way as to assist an eligible individual in entering or maintaining integrated, competitive employment;

(2) Based on a determination of the needs of an eligible individual, as specified in an individualized written rehabilitation program; and

(3) Provided by the designated State unit for a period of time not to extend beyond 18 months, unless under special circumstances the eligible individual and the rehabilitation counselor or coordinator jointly agree to extend the time in order to achieve the rehabilitation objectives identified in the individualized written rehabilitation program.

Vocational rehabilitation services means the same as the term is defined in 34 CFR 369.4(b).

Subpart D--How Does the Secretary Make a Grant?

Sec. 385.30 [Reserved]

Sec. 385.31 How does the Secretary evaluate an application?

(a) The Secretary evaluates applications under the procedures in 34 CFR part 75.

(b) The Secretary evaluates each application using selection criteria identified in parts 386, 387, 388, 389 and 390, as appropriate.

(c) In addition to the selection criteria described in paragraph (b) of this section, the Secretary evaluates each application using--

- (1) Selection criteria in 34 CFR 75.210;
- (2) Selection criteria established under 34 CFR 75.209; or
- (3) A combination of selection criteria established under 34 CFR 75.209 and selection criteria in 34 CFR 75.210.

(Authority: 29 U.S.C. 711(c))
[62 FR 10404, Mar. 6, 1997]

Sec. 385.32 What other factors does the Secretary consider in reviewing an application?

In addition to the selection criteria listed in Sec. 75.210 and Parts 386 through 390, the Secretary, in making awards under this program, considers such factors as--

- (a) The geographical distribution of projects in each Rehabilitation Training Program category throughout the country; and
- (b) The past performance of the applicant in carrying out similar training activities under previously awarded grants, as indicated by such factors as compliance with grant conditions, soundness of programmatic and financial management practices and attainment of established project objectives.

Subpart A--General

- Sec. 396.1 What is the Training of Interpreters for Individuals Who Are Deaf and Individuals Who Are Deaf-Blind Program?

The Training of Interpreters for Individuals Who Are Deaf and Individuals Who Are Deaf-Blind program is designed to establish interpreter training programs or to assist ongoing programs to train a sufficient number of skilled interpreters throughout the country in order to meet the communication needs of individuals who are deaf and individuals who are deaf-blind by--

- (a) Training manual, tactile, oral, and cued speech interpreters;

- (b) Ensuring the maintenance of the skills of interpreters; and
 - (c) Providing opportunities for interpreters to raise their level of competence.
- (Authority: 29 U.S.C. 771a(f))

Sec. 396.2 Who is eligible for an award?

Public and private nonprofit agencies and organizations, including institutions of higher education, are eligible for assistance under this program.

Sec. 396.3 What regulations apply?

The following regulations apply to the Training of Interpreters for Individuals Who Are Deaf and Individuals Who Are Deaf-Blind program:

(a) The Education Department General Administrative Regulations (EDGAR) as follows:

- (1) 34 CFR part 74 (Administration of Grants to Institutions of Higher Education, Hospitals, and Nonprofit Organizations).
 - (2) 34 CFR part 75 (Direct Grant Programs).
 - (3) 34 CFR part 77 (Definitions That Apply to Department Regulations).
 - (4) 34 CFR part 79 (Intergovernmental Review of Department of Education Programs and Activities).
 - (5) 34 CFR part 80 (Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments).
 - (6) 34 CFR part 81 (General Education Provisions Act--Enforcement).
 - (7) 34 CFR part 82 (New Restrictions on Lobbying).
 - (8) 34 CFR part 85 (Government Debarment and Suspension (Nonprocurement) and Governmentwide Requirements for Drug-Free Workplace (Grants)).
 - (9) 34 CFR part 86 (Drug-Free Schools and Campuses).
- (b) The regulations in this part 396.
- (c) The following regulations in 34 CFR part 385:
- (1) Section 385.32.
 - (2) Section 385.40.
 - (3) Section 385.44.
 - (4) Section 385.45.
 - (5) Section 385.46.

(Authority: 29 U.S.C. 771a(f))

Sec. 396.4 What definitions apply?

- (a) Definitions in EDGAR. The following terms defined in 34 CFR 77.1 apply to this part:
- “Applicant”
 - “Application”
 - “Award”

“Equipment”
“Grant”
“Nonprofit”
“Private”
“Project”
“Public”
“Secretary”
“Supplies”

(b) Definitions in the rehabilitation training regulations. The following terms defined in 34 CFR 385.4(b) apply to this part:

Individual With a Disability

Institution of Higher Education

(c) Other definitions. The following definitions also apply to this part:

Existing program that has demonstrated its capacity for providing interpreter training services means an established program with--

(1) A record of training interpreters who are serving the deaf and deaf-blind communities; and

(2) An established curriculum that is suitable for training interpreters.

Individual who is deaf means an individual who has a hearing impairment of such severity that the individual must depend primarily upon visual modes, such as sign language, lip reading, and gestures, or reading and writing to facilitate communication.

Individual who is deaf-blind means an individual--

(1)(i) Who has a central visual acuity of 20/200 or less in the better eye with corrective lenses, or a field defect such that the peripheral diameter of visual field subtends an angular distance no greater than 20 degrees, or a progressive visual loss having a prognosis leading to one or both of these conditions;

(ii) Who has a chronic hearing impairment so severe that most speech cannot be understood with optimum amplification, or a progressive hearing loss having a prognosis leading to this condition; and

(iii) For whom the combination of impairments described in paragraphs (1)(i) and (ii) of this definition causes extreme difficulty in attaining independence in daily life activities, achieving psychosocial adjustment, or obtaining a vocation;

(2) Who, despite the inability to be measured accurately for hearing and vision loss due to cognitive or behavioral constraints, or both, can be determined through functional and performance assessment to have severe hearing and visual disabilities that cause extreme difficulty in attaining independence in daily life activities, achieving psychosocial adjustment, or obtaining vocational objectives; or

(3) Who meets any other requirements that the Secretary may prescribe.

Interpreter for individuals who are deaf means a qualified professional who uses sign language skills, cued speech, or oral interpreting skills, as appropriate to the needs of individuals who are deaf, to facilitate communication between individuals who are deaf and other individuals.

Interpreter for individuals who are deaf-blind means a qualified professional who uses tactile or other manual language or fingerspelling modes, as appropriate to the needs of

individuals who are deaf-blind, to facilitate communication between individuals who are deaf-blind and other individuals.

Qualified professional means an individual who has either--

- (1) Met existing national or state certification or evaluation requirements; or
- (2) Successfully demonstrated equivalent interpreting skills through prior work experience.

(Authority: 29 U.S.C. 711(c) and 771a(f); 29 U.S.C 1905)

Sec. 396.5 What activities may the Secretary fund?

The Secretary provides assistance for projects that provide training in interpreting skills for persons preparing to serve, and persons who are already serving, as interpreters for individuals who are deaf and as interpreters for individuals who are deaf-blind in public and private agencies, schools, and other service-providing institutions.

(Authority: 29 U.S.C. 771a(f))

Subpart B [Reserved]

Subpart C--How Does One Apply for an Award?

Sec. 396.20 What must be included in an application?

Each applicant shall include in the application--

- (a) A description of the manner in which the proposed interpreter training program will be developed and operated during the five-year period following the award of the grant;
- (b) A description of the geographical area to be served by the project;
- (c) A description of the applicant's capacity or potential for providing training for interpreters for individuals who are deaf and interpreters for individuals who are deaf-blind;
- (d) An assurance that any interpreter trained or retrained under this program shall meet any minimum standards of competency that the Secretary may establish;
- (e) An assurance that the project shall cooperate or coordinate its activities, as appropriate, with the activities of other projects funded under this program; and
- (f) The descriptions required in 34 CFR 385.45 with regard to the training of individuals with disabilities, including those from minority groups, for rehabilitation careers.

(Approved by the Office of Management and Budget under control number 1820-0018)

(Authority: 29 U.S.C. 712b(b)(6), 777a(a)(5), and 771a(f))

Subpart D--How Does the Secretary Make an Award?

Sec. 396.30 How does the Secretary evaluate an application?

- (a) The Secretary evaluates applications under the procedures in 34 CFR part 75.

(b) The Secretary evaluates each application using selection criteria in Sec. 396.31.

(c) In addition to the selection criteria described in paragraph (b) of this section, the Secretary evaluates each application using--

- (1) Selection criteria in 34 CFR 75.210;
- (2) Selection criteria established under 34 CFR 75.209; or
- (3) A combination of selection criteria established under 34 CFR 75.209 and selection criteria in 34 CFR 75.210.

(Authority: 29 U.S.C. 771a(f))

[62 FR 10406, Mar.6, 1997]

Sec. 396.31 What additional selection criteria are used under this program?

In addition to the criteria in 34 CFR 396.30(c), the Secretary uses the following additional selection criterion to evaluate an application:

(a) Demonstrated relationships with service providers and consumers. The Secretary reviews each application to determine the extent to which--

- (1) The proposed interpreter training project was developed in consultation with service providers;
- (2) The training is appropriate to the needs of both individuals who are deaf and individuals who are deaf-blind and to the needs of public and private agencies that provide services to either individuals who are deaf or individuals who are deaf-blind in the geographical area to be served by the training project;
- (3) There is a working relationship between the interpreter training project and service providers; and
- (4) There are opportunities for individuals who are deaf and individuals who are deaf-blind to be involved in the training project.

(Authority: 29 U.S.C. 771a(f))

[62 FR 10406, Mar.6, 1997]

Sec. 396.32 What additional factors does the Secretary consider in making awards?

In addition to the selection criteria listed in Sec. 396.31 and 34 CFR 75.210, the Secretary, in making awards under this part, considers the geographical distribution of projects throughout the country, as appropriate, in order to best carry out the purposes of this program. To accomplish this, the Secretary may in any fiscal year make awards of regional or national scope.

(Authority: 29 U.S.C. 771a(f))

[59 FR 52220, Oct. 14, 1994, as amended at 62 FR 10406, Mar.6, 1997]

Sec. 396.33 What priorities does the Secretary apply in making awards?

The Secretary, in making awards under this part, gives priority to public or private nonprofit agencies or organizations with existing programs that have demonstrated their capacity for providing interpreter training services.

(Authority: 29 U.S.C. 771a(f))

SECTION F

SELECTION CRITERIA FOR APPLICATION

The Secretary uses the following selection criteria to evaluate applications for new grants under this competition. The maximum score for all of these criteria is 100 points. The maximum score for each criterion is indicated in parentheses. Because no points are assigned to the selected factors, the Secretary evaluates each factor within each criterion equally.

NEED FOR PROJECT

(10 points)

- (i) The magnitude or severity of the problem to be addressed by the proposed project.
- (ii) The magnitude of the need for services to be provided or the activities to be carried out by the proposed project.
- (iii) The extent to which the proposed project will prepare personnel for fields in which shortages have been demonstrated.

QUALITY OF PROJECT DESIGN

(25 points)

- (i) The extent to which the goals, objectives, and outcomes to be achieved by the proposed project are clearly specified and measurable.
- (ii) The extent to which the design of the proposed project is appropriate to, and will successfully address, the needs of the target population or other identified needs.
- (iii) The extent to which the proposed activities constitute a coherent, sustained program of training in the field.
- (v) The extent to which the design for implementing and evaluating the proposed project will result in information to guide possible replication of project activities or strategies, including information about the effectiveness of the approach or strategies employed by the project.
- (vi) The extent to which the proposed project is designed to build capacity and yield results that will extend beyond the period of Federal financial assistance.
- (vii) The extent to which the design of the proposed project reflects up-to-date knowledge from research and effective practice.
- (viii) The extent to which the proposed project represents an exceptional approach to the priority or priorities established for the competition.
- (ix) The extent to which the proposed project will establish linkages with other appropriate agencies and organizations providing services to the target population.
- (x) The extent to which the proposed project encourages consumer involvement.
- (xi) The extent to which performance feedback and continuous improvement are integral to the design of the proposed project.
- (xii) The proposed interpreter training project is developed in consultation with service providers.

QUALITY OF PROJECT SERVICES

(20 points)

- (i) The quality and sufficiency of strategies for ensuring equal access and treatment for eligible project participants who are members of groups that have traditionally been underrepresented based on race, color, national origin, gender, age, or disability.
- (ii) The extent to which the services to be provided by the proposed project are appropriate to the needs of the intended recipients or beneficiaries of those services.
- (iii) The extent to which the services to be provided by the proposed project reflect up-to-date knowledge from research and effective practice.
- (iv) The likely impact of the services to be provided by the proposed project on the intended recipients of those services.
- (v) The extent to which the training or professional development services to be provided by the proposed project are of sufficient quality, intensity, and duration to lead to improvements in practice among the recipients of those services.
- (vi) The extent to which the training or professional development services to be provided by the proposed project are likely to alleviate the personnel shortages that have been identified or are the focus of the proposed project.
- (vii) The training is appropriate to the needs of both individuals who are deaf and individuals who are deaf-blind and to the needs of public and private agencies that provide services to either individuals who are deaf or individuals who are deaf-blind in the geographical area to be served by the training project.

QUALITY OF PROJECT PERSONNEL

(10 points)

- (i) The extent to which the applicant encourages applications for employment from persons who are members of groups that have traditionally been underrepresented based on race, color, national origin, gender, age, or disability.
- (ii) The qualifications, including relevant training and experience, of the project director or principal investigator.
- (iii) The qualifications, including relevant training and experience, of key project personnel.
- (iv) The qualifications, including relevant training and experience, of project consultants or subcontractors.
- (v) There are opportunities for individuals who are deaf and individuals who are deaf-blind to be involved in the training project.

ADEQUACY OF RESOURCES

(10 points)

- (i) The adequacy of support, including facilities, equipment, supplies, and other resources, from the applicant organization or the lead applicant organization.
- (ii) The relevance and demonstrated commitment of each partner in the proposed project to the implementation and success of the project.
- (iii) The extent to which the budget is adequate to support the proposed project.

(iv) The extent to which the costs are reasonable in relation to the objectives, design, and potential significance of the proposed project.

(v) The extent to which the costs are reasonable in relation to the number of persons to be served and to the anticipated results and benefits.

(vi) The potential for continued support of the project after Federal funding ends, including, as appropriate, the demonstrated commitment of appropriate entities to such support.

(vii) The potential for the incorporation of project purposes, activities, or benefits into the ongoing program of the agency or organization at the end of Federal funding.

QUALITY OF THE MANAGEMENT PLAN

(10 points)

(i) The adequacy of the management plan to achieve the objectives of the proposed project on time and within budget, including clearly defined responsibilities, timelines, and milestones for accomplishing project tasks.

(ii) The adequacy of procedures for ensuring feedback and continuous improvement in the operation of the proposed project.

(iii) The adequacy of mechanisms for ensuring high-quality products and services from the proposed project.

(iv) The extent to which the time commitments of the project director and principal investigator and other key project personnel are appropriate and adequate to meet the objectives of the proposed project.

QUALITY OF THE PROJECT EVALUATION

(15 points)

(i) The extent to which the methods of evaluation are thorough, feasible, and appropriate to the goals, objectives, and outcomes of the proposed project.

(ii) The extent to which the methods of evaluation are appropriate to the context within which the project operates.

(iii) The extent to which the methods of evaluation provide for examining the effectiveness of project implementation strategies.

(iv) The extent to which the methods of evaluation include the use of objective performance measures that are clearly related to the intended outcomes of the project and will produce quantitative and qualitative data to the extent possible.

(v) The extent to which the methods of evaluation will provide timely guidance for quality assurance.

(vi) The extent to which the methods of evaluation will provide performance feedback and permit periodic assessment of progress toward achieving intended outcomes.
