On behalf of the U.S. Department of Education, Federal Student Aid, thank you for attending the 2006 Fall Federal Student Aid Conferences. We are delighted that you were able to attend and we hope the conference met your professional expectations and needs.

At the 2006 Fall Federal Student Aid Conferences, we offered a technical track consisting of topics related to Information Technology. We plan to offer a technical track again at the 2007 Conferences. As we plan for these Conferences and future years, it is important that we receive feedback from our customers. Please take a few minutes and fill out the overall Conferences technical track evaluation form. We estimate that this survey will take approximately ten (10) minutes to complete.

To complete the evaluation survey, please click on the link below. The deadline for completing the evaluation is January X, 2007.

If there are others in your organization that did not receive this survey that attended the technical track at the 2006 Fall Federal Student Aid Conferences, please feel free to share this with them.

If you have any questions, feel free to contact me.

Thanks again for your participation. Your feedback is greatly appreciated!
