The purpose of this survey is to identify the Enterprise Resource Planning (ERP) system currently being utilized at our client schools. We hope to identify the potential strengths and weaknesses of the system and establish a database of the system administrators. This information is vital in our efforts to support the schools and offer them the effective technical guidance and possible referrals to schools with similar systems and sizes.

1. Name of Institution _____
2. Federal School Code _____
3. What system are you currently using?
   o Banner
   o People
   o Cams
   o Home Grown
