Detailed Budget Form (HUD-424-CB),

Application for Federal Assistance (SF-  
424), and the Third-Party

*Description of the need for the

of the Third-Party Documentation

produces an electronic version of the  
document that will be matched with the  
electronic application submitted  
through grants.gov to HUD. *Estimation  
of the total number of hours needed to  
prepare the information collection  
including number of respondents,  
frequency of response, and hours of  
response:* An estimation of the total  
number of hours needed to prepare the  
forms for each grant application is 5  
minutes per response, however, the  
burden will be assessed against each  
individual grant program submission  
under the Paperwork Reduction Act;  
number of respondents is 33,000  
frequency of response is on the occasion  
of application for benefits.
