

Attachment A.4 – Registration and Eligibility Screener

Web Screen 1—Welcome

Thank you for your interest in participating in interviews in preparation for the Early Career Doctorates (ECD) Survey, sponsored by the National Science Foundation (NSF). The purpose of the interviews is to evaluate survey questions which may appear on the pilot of the ECD Survey. The survey questions we will be evaluating relate to work and educational experiences of early career doctorates in all fields, including non-science fields. You are eligible if you have earned your doctorate or doctorate-equivalent degree (Ph.D, Ed.D, M.D., D.O, etc.) since 2003.

The interview will take approximately 90 minutes. Participants will receive \$50 as an expression of appreciation. The interviews will be conducted by RTI International, a local not-for-profit organization in Research Triangle Park (RTP), North Carolina.

If you are interested in being considered for an interview, please provide us with your contact information and answer a few basic questions about your degree and your current position. We will only use your registration information to select a diverse sample and to contact you if you are selected to participate.

To register, please click NEXT.
