

Screen shot of Internet-based model where FSMIP reviewers post scores

The screenshot shows the Decision Lens web application interface. The browser address bar displays <https://usda-dl3.decisionlens.com/dlw-client/>. The application title is "Sample - USDA FY13 Proposal Analysis - Janise Zygmunt". The user is logged in as "Janise Zygmunt".

The interface is divided into several sections:

- Navigation:** Includes tabs for "1 Define", "2 Collect", and "3 Optimize". Under "Collect", there are sub-tabs for "Priorities", "Ratings", "Resources", and "Costs & Constraints".
- Controls:** A sidebar on the left titled "Rating Participants" lists participants: Gary Cave, participant1, participant2, participant3, participant5, participant7, and participant8. There is also a "Filter Participants" option.
- Evaluation Area:** The main content area is titled "Evaluate Proposal 1 with respect to Strategic Alignment". It features a "Show descriptions" toggle. Below this, there are six evaluation categories, each with a description and a list of participants who have rated it:
 - Strong Fit / Aligns Extremely Well:** Description: "Suggestion contains most all components of data compilation, synthesis or evaluation and will inform risk analysis, survey methodology, or pathway analysis". Participants: participant2, participant7, participant8. Count: 3.
 - Moderate-Strong Fit / Aligns Well:** Description: "No description provided.". Participants: participant1, participant3, participant5. Count: 3.
 - Moderate Fit / Aligns Fairly Well:** Description: "Suggestion addresses some components of data compilation, synthesis or evaluation". Count: 0.
 - Moderate-Weak Fit / Aligns Minimally:** Description: "No description provided.". Count: 0.
 - Weak Fit / Does not align very well:** Description: "Fit to analysis section is not easily observable". Count: 0.
 - Does Not Fit / No Alignment:** Description: "Suggestion does not fit goal". Count: 0.
- Summary:** At the bottom of the evaluation area, it shows "6 of 7 ratings made", "Rating Alternative 1 of 26", and "Group Average 0.87".
- Footer:** Includes navigation buttons (PREV SET, NEXT SET), a search bar, and checkboxes for "Show ratings to presenter" and "Show ratings to everyone". There are also links for "GROUP COMMENTS" and "SCORESHEET".

Screen shot of Internet-based model where FSMIP reviewers post comments

The screenshot displays the Decision Lens web application interface. The browser address bar shows the URL <https://usda-dl3.decisionlens.com/dlw-client/>. The application title is "Sample - USDA FY13 Proposal Analysis - Janise Zygmunt". The user is logged in as "Janise Zygmunt".

The interface is divided into several sections:

- Navigation:** "Define", "Collect", and "Optimize" tabs are visible at the top.
- Left Panel (CONTROLS):** Includes "Rating Participants" with a list of users (Gary Cave, participant1 through participant8) and "Filter Participants".
- Main Content Area:** Titled "Comments for Proposal 1 with respect to Strategic Alignment". It features an "Add Comment" form with a text input field, a "SUBMIT" button, and dropdown menus for "User" (set to "All Participants"), "Intensity", and "Category".
- Table:** A table with columns for "Comments", "Intensity", "Category", and "User" is present below the form.
- Bottom Panel:** Contains navigation buttons ("PREV SET", "NEXT SET"), a "Quick Search" field, and toggle switches for "Show ratings to presenter" and "Show ratings to everyone".

The Windows taskbar at the bottom shows the system clock as 9:05 AM on 8/8/2013, along with various system icons and application shortcuts.
