MasterCard is a registered trademark of MasterCard International Incorporated. This document constitutes the agreement ("Agreement") outlining the terms and conditions under which the Payoneer Stipend Prepaid MasterCard Card has been issued to you. By accepting and using this card, you agree to be bound by the terms and conditions contained in this Agreement. In this Agreement, "Card" means the Payoneer Prepaid MasterCard card issued to you by First Covenant Bank. "You" and "your" means the person or persons who have received the Card and are authorized to use the Card as provided for in this Agreement. "We," "us," and "our" mean First Covenant Bank, our successors, affiliates or assigns. The Card will remain the property of First Covenant Bank and must be surrendered upon demand. The Card is nontransferable, and it may be canceled, repossessed, or revoked at any time without prior notice subject to applicable law. Please read this Agreement carefully and keep it for future reference.

1. Definitions

The Card is a prepaid card that has been provided pursuant to a Stipend card program. The Card allows you to access funds on the Card. The Card does not constitute a checking, savings or other bank account and is not connected in any way to any other account you may have. The Card is not a credit card. You will not receive any interest on the funds on the Card.

2. Information Needed to Obtain Your Card

The USA PATRIOT Act is a federal law that requires all financial institutions to obtain, verify, and record information that identifies each person who opens a Card Account. The organization you received your card from has provided Payoneer with a unique ID linking the information they have on file for you with your card.

3. Limitations on Transactions

For security reasons, you may not make more than \$2,500 in transactions of any type from your Card on any business day. Any transaction made on a non-business day is considered made on the next business day.

4. Using Your Card

When funds have been added to your Card Account, you may use your Card to obtain goods or services, or to initiate transactions from your Card Account, wherever Debit MasterCard cards are accepted, as long as you do not exceed the value available in your Card Account. Unless the context indicates otherwise, we use the word "transaction" to refer to any use of your Card mentioned herein. You may use your Card to make purchases at POS terminals.

You are responsible for all transactions initiated by use of your Card. If you permit someone else to use your Card we will treat this as if you have authorized such use and you will be responsible for any transactions made subject to such use. If you use your Card number without presenting your Card (such as for online or telephone purchases), the legal effect will be the same as if you used the Card itself.

Your Card cannot be redeemed for cash.

You may not use your Card for any illegal transactions, at casinos or for any gambling activity.

You should keep track of the amount of value loaded on Cards issued to you. You may view the available balance on your Card by calling toll free 1-888-811-3182, Monday-Friday 9:00am-5:00pm EST.

Each time you use your Card, you authorize us to reduce the value available on your Card by the amount of the transaction and any applicable fees. You are not allowed to exceed the available amount on your Card through an individual transaction or a series of transactions. Nevertheless, if a transaction exceeds the balance of funds available on your Card (creating a "shortage") you shall remain fully liable to us for the amount of the transaction and any applicable fees or charges. You agree to pay us promptly for the shortage and any applicable shortage fees. We also reserve the right to cancel the Card should you create a shortage with your Card.

You do not have the right to stop payment on any purchase transaction originated by use of your Card. If you authorize a transaction and then fail to make a purchase as planned, the authorization may result in a hold for that amount of funds for up to ten (10) days.

5. Returns and Refunds

If you are entitled to a refund for any reason for goods or services obtained with your Card, you agree to accept credits to your Card for such refunds. The amounts credited to your Card for refunds may not be available for up to five (5) days from the date the refund transaction occurs.

6. Foreign Transactions and Transactions made outside the US

If you make a transaction in a currency other than US Dollars or in a country other than the US this will be considered a foreign transaction. Transactions in a currency other than US Dollars will be converted to US Dollars. The currency conversion rate used by MasterCard is either a wholesale market rate or the government-mandated rate. In effect one day prior to the processing date for the transaction, the currency conversion rate used by MasterCard on the processing date may differ from the rate in effect on the transaction date or on the date that the transaction posts to your Card Account. The combined processing fees for foreign transactions and for transactions made outside the US, including MasterCard® and bank charges, can be up to 5%.

7. Receipts

You should get a receipt at the time you make a transaction using your Card. You agree to retain your receipt to verify your transactions.

8. Periodic Statements

You may obtain information about the amount of money you have remaining in your card account by calling 1-888-811-3182.

9. Fees and Charges

A monthly account maintenance fee of \$3 will be collected if no Qualifying Activity has been initiated with your Card Account in the preceding period designated in the agreement between Payoneer and the entity which made the initial deposit into your Card. For the above purpose, a "Qualifying Activity" shall mean any activity with the Card with an amount exceeding \$0.00, excluding the Monthly Maintenance fees. The charge will thereafter be recurring each month, unless a Qualifying Activity is made with your Card Account and as long as the balance on the account is more than \$0.00. Please refer to the Fee Schedule that accompanied your card for complete details.

10. Confidentiality

We may disclose information to third parties about your Card or the transactions you make:

- (1) Where it is necessary for completing transactions;
- (2) In order to verify the existence and condition of your Card for a third party such as a merchant;

- (3) In order to comply with any government agency, court order, or other legal reporting requirements;
- (4) If you give us your written permission; or
- (5) To our employees, auditors, affiliates, service providers, or attorneys as needed;

- (6) If we have reason to believe the requested transaction is unauthorized;
- (7) If circumstances beyond our control (such as fire, flood or computer or communication failure) prevent the completion of the transaction, despite reasonable precautions that we have taken;
- (8) Any other exception stated in our Agreement with you;

12. Your Liability for Unauthorized Transactions

Tell us AT ONCE if you believe your Card has been lost or stolen or if you think a transaction was authorized without your permission, by calling 1-646-224-6993 or by writing to us using our Contact Us page. You could lose all the money in your account if you tell us within 2 business days after you learn of the loss or theft of your Card, you can lose no more than \$50 if someone used your Card without your permission.

If you do NOT tell us within 2 business days after you learn of the loss or theft of your Card, and we can prove we could have stopped someone from using your Card without your permission (if you had told us, you could lose as much as \$500).

Also, if your statement shows transfers that you did not make, including those made by card, code or other means, tell us at once. If you do not tell us within 60 days after the earlier of the date you electronically access your account, if the error could be viewed in your electronic history, or the date we sent the FIRST written history on which the error appeared, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

If you report your Card as lost or stolen, we will close your Card to keep losses down. We reserve the right to investigate any claim you may make with respect to a lost or stolen Card, and you agree to cooperate with such investigation. We may ask you for a written statement, affidavit or other information in support of the claim.

The minimum transaction amount for reporting unauthorized transactions is \$20. Unauthorized transactions may be reported if you have not reported two or more unauthorized events in the past 12 months.

13. Information About Your Right to Dispute Errors

In case of errors or questions about your Card transactions, call 1-888-811-3182 or contact Payoneer Customer Service through the form on our Contact Us page at www.payoneer.com. You must contact us no later than sixty (60) days from the date on which the problem or error appeared.
