General Instructions

Before completing the survey, please read carefully each part and all related definitions and instructions.

Note especially:

1. Report figures for the last date of the calendar quarter named in the form title.
2. You may report on either a cash or accrual basis.
3. Do not delay reporting to await final figures, if reasonable estimates can be supplied on a preliminary basis.
4. To report revisions to any of the prior quarters not listed in this application, call 1-866-492-0140

The data collected on this survey are not confidential and we ask that no personally identifiable information be included. Further specific instructions on what type of information to include or to exclude while reporting are available preceding the appropriate sections of the survey.

Attach Data

In addition to reporting on the paper form or online, an acceptable financial document can be attached for the Quarterly Survey of Property Tax Collections.

This file should include the amount of property tax collected during the specified quarter. The report should be a monthly or quarterly report, so that an accurate quarterly figure can be derived. If this government collects property taxes for other governments, please ensure that all the governments are included in the financial report.

Please DO NOT include any personally identifiable information (PII) in the contents of the file to be attached. If the file does not contain information that is in scope of the Quarterly Survey of Property Tax Collections, this entity may still be subject to non-response follow-up actions.

Who should be contacted to answer questions about data reported in this survey?
