

**JUSTIFICATION FOR CHANGE
CAPITAL CONSTRUCTION FUND DEPOSIT AND WITHDRAWAL REPORT
OMB CONTROL NO. 0648-0041**

The National Marine Fisheries Service (NMFS) Capital Construction Fund (CCF) Program would like to merge OMB Control No. 0648-0090, Interim Capital Construction Fund Agreement and Certificate Family of Forms into 0648-0041. We are initiating this change because both OMB Control Numbers have forms that are used by the same group of respondents.

OMB Control No. 0648-0090 is for the Capital Construction “family of forms” and includes the following:

- Schedule B – Construction/Acquisition/Mortgage Payments
- Schedule B – Reconstruction
- Schedule A – Description of Eligible Vessel
- CCF Application Letter
- CCF Interim Agreement
- Certificate of Reconstruction

Merging OMB Control No. 0648-0090 into OMB Control No. 0648-0041 will add the following:

Responses: 1,000; hours: 2,500; recordkeeping/reporting cost: \$3,620.
