Public reporting burden of this collection of information is estimated to average 2 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-xxxx).

On behalf of the Centers for Disease Control and Prevention (CDC), we're conducting a study about different health and smoking-specific advertising that you see in the media. Your opinions are very important to us! Please be assured that the purpose of this survey is to gather feedback regarding specific health-related advertising. We do not plan to report your answers individually. We plan to report results from this survey for the group as a whole. Thank you for taking the time to help us!

If you decide to participate and are eligible, you will receive 400 points [note - \$2.00] as compensation for your time if you complete the online survey. Your participation in this survey is voluntary.
