AUTHORIZATION TO RELEASE MEDICAL RECORDS (Protected Health Information)

I give permission for any and all facilities and providers to release my health information.

The Women's Health Initiative (WHI) Extension Study is a national study sponsored by the National Institutes of Health (NIH) whose ongoing purpose is to learn about the health of post-menopausal women. By signing this form, I give permission to these facilities to give information about my health care and health conditions to: the investigators at the WHI Clinical Coordinating Center (CCC) and the Regional Center affiliates.

The information released will only be used for research purposes by the WHI and will be held in strict confidence. Examples of medical information to be requested.

Discharge summary	Operative reports	Consultations
History and physical	Procedure reports	Outpatient/short stay records
Radiology/imaging	Lab tests and results	MD notes/progress notes
Pathology reports/specimens	Diagnostic/procedure codes	
ER records	Other:	

By signing, I acknowledge that I have read and understood the following:

- Signing this authorization is voluntary.
- I have the right to revoke (cancel) this authorization at any time by notifying the WHI and the facility in writing. If I do this, it will be in effect immediately as soon as it is received and no further information about my health care and health conditions will be requested. If I revoke this authorization, it will have no effect whatsoever on my enrollment or participation in WHI or on my medical treatment at the facility.
- The above medical records may be shared with researchers at the WHI CCC at the Fred Hutchinson Cancer Research Center, WHI Regional Centers and their affiliates, the NIH (study sponsor), and regulatory agencies and review boards who watch over the safety, effectiveness and conduct of the research. The Health Insurance Portability and Accountability Act (HIPAA) Privacy Rule may no longer protect the information but the WHI, as a nationally funded research study, has established continued protection for the disclosed information.
