Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Office, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0414). Do not return the completed form to this address.

Complete questions 1, 2, and 3 to initiate a search. Complete questions 4, 5 and 6 at conclusion of search. Complete Question 7 to document all attempts to locate participant.

1. Background of search
 - 1.1 Date of last contact with the WHI RC: ____ - ____ - ____ (M/D/Y)
 - 1.2 Reasons for starting the search (more than one may apply):
 - ____ WHI Extension Study participant has been identified as "lost to follow-up" (e.g., appears on *WHIX 1591 – Participants Who Are Lost to Follow-up*)
 - ____ Incorrect, incomplete, or invalid mailing address
 - ____ Telephone number is incorrect, disconnected, or no longer in service (optional search)
 - ____ Other (*Specify*): _____

2. Initiation Date: ____-____-____ (M/D/Y)

3. Initiated By: ____-____-____

Data enter questions 4, 5, and 6 at conclusion of search. (Update existing key-entered form; do not start a new form. Complete Form 9 – Participation Status for a change in participant follow-up status.)

4. Date Search Ended: ____-____-____ (M/D/Y)

5. Search Ended By: ____-____-____

6. Search Result: **(Required at conclusion of Lost-To-Follow-Up search)**

₁ The participant has been located.
 (If participant was lost-to-follow-up and has been found, complete and key enter *Form 9 – Participation Status* with updated follow-up status information.)
 (Includes deceased participants. Complete *Form 120 – Initial Notification of Death* for a participant identified as deceased.)

₄ The participant could not be located.

Comments: _____

7. Record of attempts to locate a participant. Complete and document all relevant tasks associated with the Vital Status/Lost-to-Follow-Up search. (Use any, all, or other sources as available.) Note: all tasks may not apply.
