

Sample Letter to Beneficiary from Supplier that Chooses **NOT** to Grandfather

Our records show that our company, **[insert supplier name]**, is currently furnishing you with rented **[insert name of equipment]**.

Starting July 1, 2013, there will be a new program called the Medicare Durable Medical Equipment, Prosthetics, Orthotics, and Supplies (DMEPOS) Competitive Bidding Program to help you save money when you get certain Medicare-covered medical equipment and supplies. Under this program, people with Original Medicare in your area will almost always need to buy or rent certain medical equipment and supplies from suppliers that contract directly with Medicare to furnish these items. We won't be a Medicare contract supplier under this new program, so we won't be providing **[insert name of equipment]** to people with Original Medicare.

We will only continue to provide your **[insert name of equipment]** until **[insert first anniversary date after July 1, 2013]**. After this date, you must get your equipment and related accessories and supplies from a new Medicare contract supplier for **[insert name of equipment]**. We will contact you ten (10) business days before picking up your equipment to arrange for the equipment to be picked up and new equipment to be delivered by your new Medicare contract supplier. We will coordinate the pick up and the delivery of the equipment with your new contract supplier to occur on the same day so there is no interruption in service. We will contact you again two (2) business days before picking up your equipment to remind you of the scheduled date and time.

Any Medicare contract supplier for **[insert name of equipment]** for your area is required to furnish your **[insert name of equipment]**. You need to contact a Medicare contract supplier for **[insert name of equipment]** as soon as possible to make arrangements for the Medicare contract supplier to begin furnishing you with **[insert name of equipment]** beginning on **[insert first anniversary date after July 1, 2013]**.
