Q1 – No comments

Q2

- FCCJA
  - o School resource officers are usually incumbents
  - Auxiliary officers
  - In FC Arson investigators go through LE training, but get arson training from Fire.
- NVCJA
  - School resource officer certification training does apply
- MCTA do certification training, but have specialized instructors do the training
- CPA Park rangers, animal control do basic, but get certification from an outside entity
- FCCJA jumped to Q40 noting specialized training was covered there.
- VSPA and/or covers it
- MCTA arson investigator gets basic LE training but they don't train arson investigation (like FCCJA)
- CPA have descriptions of what is BASIC, in-service, etc.

Q3

- VSPA thinks the screener could be part of the Page 1 instructions
- NVCJA Specialized vs. Other
- MCTA Host some of the training, but don't provide it. Outside trainers utilize their facilities (e.g., SWAT).
- FCCJA is it MCPD officers or outside. She thinks if they are certified trainers it would apply.
- NVCJA asked if MCPD officers receive the training, answer is YES
- BCPA says BC operates the same way.
- FCCJA should add "includes adjuncts to your academy"

- FCCJA if pull from other agencies, they become adjuncts (and adjuncts is covered on Q11)
- FCCJA- working towards it, but not yet
- NVCJA provides outside trainer
- BCPA crime lab comes to training
- NVCJA operates the same

#### Q4

- UMPA do train more than 5 agencies
- VSPA only their agency
- FCCJA budgets might have ditched training so having "thru"
- NVCJA say "from 2010 to 2012"

#### Q5 – no comments

#### Q6 -

- CPA understands intent of the question, but in practice it might not be clear. Don't automatically get college credit
- FCCJA agrees, have to go to NOVA, register, and bring transcripts
- NVCJA says if it's "automatic" he would have to change his answers to "no" have agreements with 7 schools, but it is student driven
- VSPA would it be easier to say does your academy have matriculation agreements
- CPA are they eligible for college credits
- NVCJA if "No" are their matriculation agreements that would allow students the
  opportunity to apply for college credits. If it's not automatic, then it should be "no"

## Q7 – See Q6 discussion – similar issues.

- VSPA did think Q7 was out-of-place
- NVCJA thinks few places would give credit for in-service, so is curious to see if places do.

#### **Q**9

- BCPA classes fluctuate in amount of weeks, so there are a set amount of weeks, but each class could be different based on what chief wants from that class.
- BCPA could be a difference of 5(6) weeks. Held another additional training for 3 weeks.
- CPA add "approximate" or "average"
- FCCJA minimum is bad, b/c the VA academies represented are well above the minimum.
- FCCJA/VSPA/BCPA different scenarios are going to complicate the program
- MCTA is program based on a 40 week model? BCPA says YES, so if develop curriculum based on a particular model, then that is the answer. Additional training would be an exception
- FCCJA in the parenthetical should add, any breaks in training for exceptional circumstances
- BCPA length of training will vary, thinks should stick to the CORE length of training
- MCTA add parenthetical "unforeseen special details"
- NVCJA sheriffs receive additional for weeks of training. So selected both
- CPA question is about LE, so exclude corrections, etc.

## Q10

• CPA – FT mandatory FOLLOWING completion of the basic academy

#### Q10a

- UMPA varies widely
- NVCJA state requires a minimum, but it varies. Wouldn't be able to answer 10a, or would have to answer "Other"
- FCCJA permanent academies could answer, but regional could not
- VSPA is it specified by the
- CPA if Field Training is not overseen by your agency then it shouldn't apply.

- NVCJA/FCCJA don't oversee the training, but do know what the length is
- NVCJA unusual for the academy to do Field Training
- CPA they do b/c it's a single agency
- FCCJA will it be YES/NO? don't oversee, but could still answer the question

Q11

- NVCJA wanted clarification on most recent BASIC class. Also hire actors
- FCCJA doesn't think those would trainer, so wouldn't need to cover

Q12

• MCTA - need an and/or? If teach more than 3 hours need state-certification

Q13 – no comments

Q14 - no comments

Q15

• FCCJA – add "student evaluations"

Q16 - no comments

Part C

Q17

• NVCJA – should it be police/sheriffs

Q18

- FCCJA wasn't sure about (e)
- NVCJA wasn't sure about a facility, but often have the equipment
- CPA thinks should strike, driving simulator would cover it.
- NVCJA don't have a basketball court, but do have fitness center beyond the gymnasium.
- FCCJA/CPA change to gymnasium/fitness center or ditch gymnasium

- FCCJA thinks change to "area" vs "center"
- NVCJA (j) Library. They have a resource center. Not technically a library
- CPA (a) vs. (1)
- VSPA remove "computers" from (l) to avoid confusion
- NVCJA change (a) to computer lab
- NVCJA issuing tablets to recruits, to reduce paper cost
- CPA (p) don't use them, but do have subscription to media service, but isn't satellite downlink. Ex. PoliceOne Academy or "In the Line of Duty"
- MCTA need clearer specification/organization to clarify if it applies to BASIC or additional training.

## Q19/Q20

- NVCJA 19 (b) should this include lease payments, land taxes, debt service etc.? or add them as exclusions
- MCTA would overtime be in there. They have fund.
- VSPA for clarification if add a + b then won't add to the total if debt service is excluded
- FCCJA Property costs will get excluded. Overtime fund would be included in wages/salaries.
- CPA If only care about total operating budget for the academy then answer will be easy.
- UMPA really rely on who's available for training. Which officers came in may have a day-to-day difference.
- VSPA wondered why equipment was excluded in (b)
- FCCJA maintenance/upkeep costs will be unknown for them b/c it is handled by another govt. agency.
- NVCJA If question is about operating budget it's okay as it is.
- FCCJA thinks simpler is better
- NVCJA if allowed operating costs in Q19 and then other equipment/lease/etc. for Q20
- MCTA thinks having a list of common items everyone will have then will have an apples to apples comparison.

- FCCJA expanded examples could help ground the answers
- CPA have "what are your top  $\approx$ 3 costs?" or if the overall goal is what the operation costs are, then just ask (c)
- NVCJA when he was MC Training Director, the budget was more of a wish list depending on funds available and training areas Chief wanted to focus on. Now he runs it like a business and knows it to the penny
- BCPA doesn't have a budget. Training is part of overall police budget
- CPA what about having a range, b/c it may fluctuate. So make it categorical
- FCCJA/VSPA said they skipped it and completed the survey and came back.

#### Q21 – no comments

## Q22a -

- FCCJA have modified training for "direct to the street" or lateral transfers which offers
  more of an "orientation" type training. They are certified elsewhere, evaluate what
  training they have had, and assess their needs.
- FCCJA it's not basic training, it's probationary for their academy.
- CPA/NVCJA/FCCJA thinks it would be curious how many academies do lateral transfers (lateral-level training).
- BCPA thinks it's important b/c they're not included in their academy figures.
- CPA curious about adding "non-competition" clauses. How many agencies have contracts like that for minimum level of service?
- VSPA says make people payback.
- NVCJA says might have agreement, but can't really enforce them.
- UMPA says took to court and got their money.

#### Q22b

- FCCJA does their need to be a question asking if the recycled students actually completed training.
- "Recycled" resonates.
- NVCJA don't need figure in the 1000s

#### Q23 – no comments

#### Q24

- NVCJA says item (d) is not covered by them
- FCCJA do categories need to be updated? EEO has new categories now.

#### Q25

- CPA add a column for "Voluntary" withdrawl. Most of his recruits drop out voluntarily.
- FCCJA answered under the assumption why someone withdrew and counted as a failure.
- VSPA/FCCJA think change question wording to "non-completion" Does "physical" reason ask about not meeting standards, or injury in training or other reason.
- NVCJA firearms failure is highest cause for female recruits to fail out of training. Wondering if that is a trend.
- MCTA "Cooper Test" curious about non-physical fitness correlation with other areas where they're lacking.
- NVCJA would be interested in specific categories of gender-related failure.

Q26 – no comments

Q26a – no comments

Section E

Q27 – no comments

Q28 – no comments

#### Q29 -

- FCCJA add if a *portion* is online (b/c some could be both)
- MCTA/UMPA they offer scenario training in addition to patrol techniques/procedures
- CPA some seem to overlap, firearms, nonlethal, use of force
- CPA might be better to organize in terms of topic rather than alphabetical.

- MCTA health & fitness could be "wellness" so should add physical fitness
- CPA could add "minimum hours"
- NVCJA distinction between physical fitness & wellness is important
- CPA Look at POST standards to provide groupings.
- NVCJA VA has 9 categories, for example.

#### Q30

- CPA Number of tests required is difficult.
- FCCJA/CPA thought (e) & (g) were unclear, overlapping.
- VSPA number of exams, certain number of failures will mark potential of recycling or voluntary withdrawal.
- Most think there are not going to be any oral tests.
- FCCJA thinks it could be eliminated.
- NVCJA technically all of the knowledge tests done orally could count.

#### Section F

#### Q31

• UMPA – "suspicious activity" reporting was in other, but overall categories were covered

#### Q32 – no comments

#### Q33

- FCCJA train on pepper-ball gun, but is air-driven
- CPA take out "firearm" from other less lethal.
- CPA/UMPA how is other less-lethal different from extended range impact weapon?

#### Q34 – no comments

#### Q35

CPA/FCCJA better terminology for "neck restraint" – LVN

 OT – don't make a distinction between peer/supervisor – LOOK AT PREVIOUS SURVEY RESPONSE TO SEE IF CAN COLLAPSE

Q37 – no comments

Q38

• MCTA – can we separate out whether it is at the beginning, middle or end of training.

Q39 – no comments

Q40

- FCCJA many categories are not covered in the question.
- UMPA providing it themselves or outside.
- MCTA have clarification that includes outside vendors/adjuncts
- NVCJA list is incomplete. They do a training needs survey, name the top 3 (trainers & recruits). Compile a needs/wants list.

#### WRAP UP – MISSED ITEMS, OMISSIONS, ETC.

- MCTA include Social Network, for Q29 & Q40 (investigative as well as personal use).
- NVCJA do we ask enough about what topic areas are covered online? Could have online training for IN-SERVICE (in connection with Q40 with specialized training).
- VSPA can see how some items that might not apply to him, might be relevant to other academies.
- NVCJA Survey introduction should include a heads-up that survey might have in-depth info covered by online-save function.

# **Pre-notification Letter (from IADLEST)**

Date Name/address Dear [personalized]:

I am pleased to report that the Bureau of Justice Statistics (BJS) has funded the Police Executive Research Forum (PERF), in partnership with the International Association of Directors of Law Enforcement Standards and Training (IADLEST), to conduct the 2013 Census of Law Enforcement Training Academies (CLETA). This survey is being sent to approximately 700 law enforcement training academies in the United States, including yours. You should receive a request for participation shortly.

The information that will be produced by this survey will be very valuable not only to BJS, but to all academy directors. From the survey results, you will be able to learn about how other academies conduct their business. For instance, you will learn about curriculum content, training methods, staff credentials and training, facilities, budgets, policies and more. This information will allow you to assess your own academy in relation to national norms.

**I write to strongly encourage you to complete the survey when it comes to you.** BJS and PERF are striving for a 100% response rate from the academy directors. The receipt of information from *each and every academy* will greatly enhance the value of the data produced by this project. Please note that your academy could be contacted a second time to confirm the accuracy of your responses.

Thank you in advance for your cooperation with this important endeavor.

Sincerely,

William J. Muldoon President

#### Dear DIRECTOR:

The Bureau of Justice Statistics (BJS), with assistance from the Police Executive Research Forum (PERF), is conducting the 2013 Census of Law Enforcement Training Academies (CLETA). The survey—which is being sent to approximately 700 training academies nationwide—will produce valuable data for BJS and for training administrators regarding curricula, staff, recruits/trainees, facilities, budgets, policies and so forth. The Omnibus Crime Control and Safe Streets Act of 1968, as amended (42 USC 3732), authorizes the collection of this data. Although participation is voluntary, your response is needed to make the data complete and accurate. We are attempting to achieve as close to a 100 percent response rate as possible, so our receipt of your completed survey is critical to the achievement of our goal. **Please submit the survey by (Date).** Project staff may follow up with you to encourage your participation.

Upon the completion of the data collection, BJS will analyze the data and publish a summary report. The data will, then, be archived within the Inter-University Consortium for Political and Social Research at the University of Michigan and will be available for future research purposes. While academy names will be retained in the archival data, the individuals completing the survey will not be identified either in the report or within the archived data. Please be assured that all personal contact information will be kept strictly confidential.

An electronic version of this questionnaire is located on the Internet at <a href="http://onlinesurvey.policeforum.org/BJS2013CLETA.html">http://onlinesurvey.policeforum.org/BJS2013CLETA.html</a>. You will be prompted to enter your login name, XXXX, and password, XXXX. You will also have to enter your ID number (ID # goes HERE) in the space labeled "ID NUMBER" located at the top right corner of the screen. Without entering your academy's login, password, and ID #, you will not be able to complete the survey online. The login and password provide a secure location to submit your survey. Completing the survey online saves resources (e.g., paper, toner, etc.), promotes data entry accuracy, and also eases the burden on the respondent.

This survey should take you or your staff approximately 2 hours to complete. Again, **we request that you submit your completed survey by (Date).** If you have any questions regarding this project, please feel free to contact Brian Reaves of BJS at (202) 616-3287 or <a href="mailto:brian.reaves@usdoj.gov">brian.reaves@usdoj.gov</a>. Dear <<FNAME>> <<LNAME>>:

#### Final Postcard Reminder from BJS (sent by NORC)

# 2013 Census of Law Enforcement Training Academies scheduled to end <a href="#"><DATE TBD>!</a>

# We have not yet received a response from your academy.

The data will help BJS and training administrators identify the current and future needs of law enforcement training academies. It is extremely important that your academy respond to the census to ensure a complete accounting of the nation's law enforcement training academies. The Omnibus Crime Control and Safe Streets Act of 1968, as amended (42 USC 3732), authorizes the collection of this data.

If you did not receive a questionnaire, or if it was misplaced, please contact Bruce Kubu from the Police Executive Research Forum at **202-454-8308**. He will be happy to assist you. Responding now will eliminate the need for us to continue to contact your agency about the 2013 CLETA. Thank you for your assistance.

## **Telephone Scripts for NORC**

My name is	from the NORC at the University of Chicago. Earlier
this week, we sent you a	FedEx package (or Priority Mail for academies with only a P.O Box
listed in the address) for	the 2013 Census of Law Enforcement Training Academies. The package
we sent to you contained	l a letter from the Bureau of Justice Statistics, a questionnaire, and
postage-paid return enve	clope. Have you received this package?

**IF YES:** We strongly encourage you to complete and return the census. The 2013 CLETA is the only complete accounting of State and local law enforcement training academies conducted in the U.S. The CLETA was last conducted in 2006. Do you have any questions about the census or the questionnaire?

**IF NO**: Would you like for us to e-mail or fax you a copy of the questionnaire? I can also direct you to a secure Internet version of the questionnaire that you can complete on your own. You would be able to complete the questionnaire on-line now and not have to wait for the package to arrive. Would you like the web address for the 2013 CLETA?

If you have any questions as you complete the questionnaire, please call Bruce Kubu at 202-454-8308. His number can also be found on the questionnaire. Please remember to complete the questionnaire and mail it to PERF within the next week. Thanks in advance for your participation.
