CONSULTANT FEEDBACK FORM

To ensure that the OVC Training and Technical Assistance Center (OVC TTAC) is providing the highest quality training and technical assistance to the victim services field, we need your feedback. We ask consultants contracted to provide support to the field at the request of OVC TTAC to complete this form. Your responses will be carefully considered and will be factored into the overall program evaluation of OVC TTAC. Responses to these questions will be reported only in aggregate and the results will never identify you as an individual. Your participation is completely voluntary.

In planning for a training and technical assistance event, OVC TTAC assesses the needs of the requester and recommends consultants to meet those needs in the most efficient and effective manner. In the first section of this form, "Planning Assessment," please assess all of the tasks and processes that went into planning this event. In the second section, "Training/Technical Assistance Delivery Assessment," please assess the session.

Paperwork Reduction Act Notice

Your participation is completely voluntary. Under the Paperwork Reduction Act, a person is not required to respond to a collection of information unless it displays a valid OMB control number. We try to create accurate and easily understood forms that impose the least possible burden on you to complete. The estimated average time to complete this form is 10 minutes. If you have comments regarding the accuracy of this estimate, or suggestions for making this form simpler, please write to the Office for Victims of Crime Training and Technical Assistance Center, Needs Assessment and Evaluation Division, 9300 Lee Highway, Fairfax, VA 22031.
