Optional Trust Information. The instructions have been updated to include optional trust information. The IRS encourages filers to provide the trust's name and trust EIN. See *Specific Instructions, Part II, Line 4a. (Optional) and Line 4b. (Optional)*, later, for more information.

Unpaid Minimum Required Contribution. Photographs of Missing Children

The Internal Revenue Service is a proud partner with the National Center for Missing and Exploited Children. Photographs of missing children selected by the Center may appear in instructions on pages that would otherwise be blank. You can help bring these children home by looking at the photographs and calling 1-800-THE-LOST (1-800-843-5678) if you recognize a child.

Filing Tips

To reduce the possibility of correspondence and penalties, we remind filers:

- Use the online, fillable 2012 Form 5500-EZ on the IRS website. Complete and download the form to your computer to print and sign before mailing.
- Or, use the official printed paper Form 5500-EZ obtained from the IRS. Complete the form by hand using only black or blue ink. Be sure to enter your information in the specific line fields provided, sign, and date the form before mailing.
- Or, use approved software, if available.
- Do not use felt tip pens or other writing instruments that can cause signatures or data to bleed through to the other side of the paper. One-sided documents should have no markings on the blank side.
- Paper should be clean without glue or other sticky substances.

- Do not submit extraneous information such as arrows or notes on the form.
- Mail Form 5500-EZ for plan year 2012 to the IRS office in Ogden, Utah to be processed. See *Where To File* in these instructions.
- A one-participant plan that is eligible to file Form 5500-SF, Short Form Annual Return/Report of Small Employee Benefit Plan, may elect to file Form 5500-SF electronically with the computerized ERISA Filing Acceptance System (EFAST2) rather than filing a Form 5500-EZ on paper with the IRS. See *EFAST2 Filing System* in these instructions.

General Instructions

Purpose of Form

Form 5500-EZ is used by one-participant plans that are not subject to the requirements of section 104(a) of the Employee Retirement Income Security Act of 1974 (ERISA) and that are not eligible or choose not to file Form 5500-SF electronically to satisfy certain annual reporting and filing obligations imposed by the Code. For 2012 filings, foreign pension plans that are required to file an annual return must file Form 5500-EZ.

Note. A one-participant plan (as defined under *Who Must File Form 5500-EZ*) cannot file an annual return on Form

5500, Annual Return/Report of Employee Benefit Plan, regardless of whether the plan was previously required to file an annual return on Form 5500. Therefore, every one-participant plan required to file an annual return must file paper Form 5500-EZ with the IRS or choose, if eligible, to electronically file Form 5500-SF using the *EFAST2 Filing System*.

Who Must File Form 5500-EZ

You must file Form 5500-EZ for a retirement plan if:

1. The plan is a one-participant plan that is required to file an annual return and you are not eligible or choose not to file the annual return electronically on Form 5500-SF; or
2. The plan is a foreign plan that is required to file an annual return.

A one-participant plan means a retirement plan (that is, a defined benefit pension plan or a defined contribution profit-sharing or money purchase pension plan), other than an Employee Stock Ownership Plan (ESOP), which:

- a. covers only you (or you and your spouse) and you (or you and your spouse) own the entire business (which may be incorporated or unincorporated); or
- b. covers only one or more partners (or partners and their spouses) in a business partnership; and
- c. does not provide benefits for anyone except you (or you and your spouse) or one or more partners (or partners and their spouses).

A one-participant plan must file an annual return unless the plan meets the conditions for not filing under *Who May Not Have To File Form 5500-EZ* below.

A foreign plan means a pension plan that is maintained outside the United States primarily for nonresident aliens.

A foreign plan is required to file an annual return if the employer who maintains the plan is:

- a domestic employer, or
- a foreign employer with income derived from sources within the United States (including foreign subsidiaries of domestic employers) if contributions to the plan are deducted on its U.S. income tax return.

Do not file an annual return for a plan that is a qualified foreign plan within the meaning of section 404A(e) that does not qualify for the treatment provided in section 402(d).

Foreign plans (as defined above) are not eligible to file Form 5500 for 2012, regardless of whether the plan was previously required to file an annual return on Form 5500. Every foreign plan that is required to file an annual return must instead file paper Form 5500-EZ.

Note. If you are not filing for a one-participant plan or a foreign plan, electronically file Form 5500 or, if eligible, Form 5500-SF.

Who Does Not Have To File Form 5500-EZ

You do not have to file Form 5500-EZ for the 2012 plan year for a one-participant plan if the total of the plan's assets and the assets of all other one-participant plans

maintained by the employer at the end of the 2012 plan year does not exceed \$250,000, unless 2012 is the final plan year of the plan. For more information on final plan years, see *Final Return* later.

Example. If a plan meets all the requirements for filing Form 5500-EZ and its total assets (either alone or in combination with one or more one-participant plans maintained by the employer) exceed \$250,000 at the end of the 2012 plan year, Form 5500-EZ must be filed for each of the employer's one-participant plans including those with less than \$250,000 in assets for the 2012 plan year.

How To File Form 5500-EZ

Paper forms for filing. The 2012 Form 5500-EZ may be filed on paper. File the official IRS printed Form 5500-EZ or the downloadable form found on the IRS website; or use approved software, if available.

You can complete the online, fillable 2012 Form 5500-EZ found on the IRS website and download it to your computer to print and sign before mailing to the address specified in these instructions. See *Where To File*.

You can obtain the official IRS printed 2012 Form 5500-EZ from the IRS to complete by hand with pen or typewriter using blue or black ink. Entries should not exceed the lines provided on the form. Abbreviate if necessary. Paper forms are available from the IRS as discussed earlier in *How To Get Forms and Publications*.

EFAST2 Filing System

One-participant plans may satisfy their filing obligation under the Code by filing Form 5500-SF electronically under EFAST2 in place of Form 5500-EZ (on paper), provided that the plan covered fewer than 100 participants at the beginning of the plan year. One-participant plans that covered 100 or more participants at the beginning of the plan year are not eligible to file Form 5500-SF, and must file Form 5500-EZ.

Eligible one-participant plans need complete only the following questions on the Form 5500-SF:

- Part I, lines A, B, and C;
- Part II, lines 1a–5b;
- Part III, lines 7a–c, and 8a;
- Part IV, line 9a;
- Part V, line 10g; and
- Part VI, lines 11–12e.

Under the computerized ERISA Filing Acceptance System (EFAST2), you must electronically file the 2012 Forms 5500 and 5500-SF using EFAST2's web-based filing system or you may file through an EFAST2-approved vendor. The 2012 Form 5500-EZ will be filed on paper and cannot be filed with this electronic system. For more information, see the EFAST2 website at www.efast.dol.gov. For telephone assistance, call the EFAST2 Help Line at 1-866-GO-EFAST (1-866-463-3278). The EFAST2 Help Line is available Monday through Friday.

Note. Information filed on Form 5500-EZ and Form 5500-SF is required to be made available to the public.

However, the information for a one-participant plan electronically filed using a Form 5500-SF with EFAST2 will not be subject to publication on the Internet.

What To File

Plans required to file an annual return for one-participant (owners and their spouses) retirement plans may file Form 5500-EZ in accordance with its instructions. Filers of Form 5500-EZ are not required to file schedules or attachments related to Form 5500 with the 2012 Form 5500-EZ.

However, you must collect and retain for your records completed **Schedule MB (Form 5500), Multiemployer Defined Benefit Plan and Certain Money Purchase Plan Actuarial Information**, if applicable, and completed and signed **Schedule SB (Form 5500), Single-Employer Defined Benefit Plan Actuarial Information**, if applicable. Even though you do not have to file the Schedule MB (Form 5500) or Schedule SB (Form 5500) with the 2012 Form 5500-EZ, you are still required to both perform an annual valuation and maintain the funding records associated with plan funding in the same manner as a plan for which the applicable schedule must be filed.

Eligible combined plans. The Pension Protection Act of 2006 established rules for a new type of pension plan, an “eligible combined plan,” effective for plan years beginning after December 31, 2009. An eligible combined plan consists of a defined benefit plan and a defined contribution plan that includes a qualified cash or deferred arrangement under section 401(k). The assets of the two plans are held in a single trust, but clearly identified and allocated between plans. The eligible combined plan design is available only to employers that employed an average of at least 2 but not more than 500 employees on each business day during the calendar year preceding the plan year as of which the eligible combined plan is established and that employs at least 2 employees on the first day of the plan year. Because an eligible combined plan includes both a defined benefit plan and a defined contribution plan, the Form 5500-EZ filed for the plan must include all the information that would be required for either a defined benefit plan or a defined contribution plan.

Note. The 2012 Schedule MB (Form 5500) and the 2012 Schedule SB (Form 5500) are available only electronically from the Department of Labor website at www.efast.dol.gov. You can complete the schedules online and print them out for your records. If you are a Form 5500-EZ filer, **do not** attempt to electronically file the Schedule MB or Schedule SB related to your 2012 Form 5500-EZ filing.

When To File

File the 2012 return for plan years that started in 2012. Form 5500-EZ must be filed by the last day of the 7th calendar month after the end of the plan year that began in 2012 (not to exceed 12 months in length).

Note. If the filing due date falls on a Saturday, Sunday, or legal holiday, the return may be filed on the next day that is not a Saturday, Sunday, or legal holiday.

Where To File

File the Form 5500-EZ at the following address:

Department of the Treasury
Internal Revenue Service
Ogden, UT 84201-0020

Internal Revenue Service

Who Must Sign

The plan administrator or employer (owner) must sign and date paper Form 5500-EZ for the 2012 filing.

Preparer Information (Optional)

You may optionally enter the preparer's name (including firm's name, if applicable), address, and telephone number in the space provided at the bottom of the second page of Form 5500-EZ. A preparer is any person who prepares an annual return/report for compensation, or who employs one or more persons to prepare for compensation. If the person who prepared the annual return/report is not the employer named in line 2a or the plan administrator named in line 3a, you may name the person on this line. If there are several people who prepare Form 5500-EZ, name the person who is primarily responsible for the preparation of the annual return.

Note. Although the preparer's name, address, and phone number are optional, the IRS encourages filers to provide preparer information on these lines. Treasury regulations require all paid tax return preparers to obtain the Paid Preparer Tax Identification Numbers (PTINs) and put the PTIN on all tax forms. However, the Form 5500 series, at this time, is not subject to the PTIN requirements of section 1.6109-2 of the Treasury regulations.

Penalties

The Internal Revenue Code imposes a penalty of \$25 a day (up to \$15,000) for not filing returns in connection with pension, profit-sharing, etc., plans by the required due date.

Specific Instructions

Part I – Annual Return Identification Information

First Return

Check **box A(1)** if this is the first filing for this plan. Do not check this box if you have ever filed for this plan, even if it was a different form (for example, Form 5500).

Amended Return

Check **box A(2)** if you are filing an amended Form 5500-EZ to correct errors and/or omissions in a previously filed annual return for the 2012 plan year. The amended Form 5500-EZ must conform to the requirements under the *How To File* section earlier.

If you are filing an amendment for a “one-participant plan” that filed a Form 5500-SF electronically, you may submit the amendment either electronically using the Form 5500-SF with EFAST2 or on paper using the Form 5500-EZ with the IRS. If you are filing an amended return for a one-participant plan that previously filed on a paper Form 5500-EZ, you must submit the amended return using the paper Form 5500-EZ with the IRS.

Short Plan Year

Check **box A(4)** if this form is filed for a period of less than 12 months. Show the dates at the top of the form.

For a short plan year, file a return by the last day of the 7th month following the end of the short plan year. Modify the heading of the form to show the beginning and ending dates of your short plan year and check box A(4) for a short plan year. If this is also the first or final return filed for the plan, check the appropriate box (box A(1) or A(3)).

Final Return

All one-participant plans should file a return for their final plan year indicating that all assets have been distributed.

Check **box A(3)** if all assets under the plan(s) (including insurance/annuity contracts) have been distributed to the participants and beneficiaries or distributed or transferred to another plan. The final plan year is the year in which distribution of all plan assets is completed.

Extension of Time To File

Check **box B** if either of the following applies:

1. You are filing a Form 5558, Application for Extension of Time To File Certain Employee Plan Returns. (**Do not attach** Form 5558 to your Form 5500-EZ. See below for more information.)
2. You are using an extension based on the extended due date of your federal income tax return. (See the *Note* below.)

A one-time extension of time to file Form 5500-EZ (up to 2½ months) may be obtained by filing Form 5558 on or before the normal due date (not including any extensions) of the return. You must file Form 5558 with the IRS.

Approved copies of the Form 5558 will not be returned to the filer. A copy of the completed extension request must be retained with the plan's records.

See the instructions for Form 5558 and file it with the Department of the Treasury, Internal Revenue Service Center, Ogden, UT 84201-0045.

Note. Line A of the Form 5558 asks for “Name of filer, plan administrator, or plan sponsor”. The name of the plan sponsor is generally the same as the employer name for a one-participant plan.

Note. Filers are automatically granted an extension of time to file Form 5500-EZ until the extended due date of the federal income tax return of the employer (and are not required to file Form 5558) if all the following conditions are met: (1) the plan year and the employer's tax year are the same, (2) the employer has been granted an extension of time to file its federal income tax return to a date later than the normal due date for filing the Form 5500-EZ, and (3) a copy of the application for extension of time to file the federal income tax return is retained with the plan's records. Be sure to check **box B** at the top of the form. An extension granted by using this exception cannot be extended further by filing a Form 5558 after the normal due date (without extension) of Form 5500-EZ.

Foreign Plan

Check **box C** if the return is filed by a foreign plan. See *Who Must File Form 5500-EZ* earlier.

Part II – Basic Plan Information

Line 1a. Enter the formal name of the plan.

Line 1b. Enter the three-digit plan number (PN) that the employer assigned to the plan. Plans should be numbered consecutively starting with 001.

Once a plan number is used for a plan, it must be used as the plan number for all future filings of returns for the plan, and this number may not be used for any other plan even after the plan is terminated.

Line 1c. Enter the date the plan first became effective.

Line 2a. Each row is designed to contain specific information regarding the employer. Please limit your response to the information required in each row as specified below:

1. Enter in the first row the name of the employer.
2. Enter in the second row the trade name if different from the name entered in the first row.
3. Enter in the third row the in care of (“C/O”) name.

Line 2b. Enter the employer's nine-digit employer identification number (EIN). For example, 00-1234567. Do not enter a social security number (SSN).

Employers without an EIN must apply for one as soon as possible. EINs are issued by the IRS. To apply for an EIN:

- Mail or fax Form SS-4, Application for Employer Identification Number, obtained by calling 1-800-TAX-FORM (1-800-829-3676) or at the IRS website at IRS.gov.
- Call 1-800-829-4933 to receive your EIN by telephone.
- Select the Online EIN Application link at IRS.gov. The EIN is issued immediately once the application information is validated. The online application process is not yet available for corporations with addresses in foreign countries.

Note. Although EINs for a plan's trust or custodial account are generally not required to be furnished on the Form 5500 and its schedules or Form 5500-EZ, the IRS will issue EINs for other reporting purposes. EINs for trusts or custodial accounts associated with plans may be obtained as explained above.

Line 2c. Enter the employer's telephone number including the area code.

Line 2d. Enter the six-digit applicable code that best describes the nature of the plan sponsor's business from the list of principal business activity codes later in these instructions.

Line 3a. Each row is designed to contain specific information regarding the plan administrator. Please limit your response to the information required in each row of boxes as specified below:

1. Enter in the first row the name of the plan administrator unless the administrator is the employer identified in line 2a. If this is the case, enter the word "same" on line 3a and leave the remainder of line 3a, and all of lines 3b and 3c blank.
2. Enter in the second row any in care of ("C/O") name.
3. Enter in the third row the street address. A post office box number may be entered if the Post Office does not deliver mail to the administrator's street address.
4. Enter in the fourth row the name of the city, the two character abbreviation of the U.S. state or possession and ZIP code.

Foreign address. For foreign addresses, enter the information in the order of the city, province or state, and the name of the country. Follow the country's practice in placing the postal code in the address. Do not abbreviate the country name.

Line 3b. Enter the plan administrator's nine-digit EIN. A plan administrator must have an EIN for Form 5500-EZ reporting purposes. If the plan administrator does not

have an EIN, apply for one as explained in the instructions for line 2b.

Line 3c. Enter the plan administrator's telephone number including the area code.

Line 4a. (Optional) You may use this line to enter the "Name of trust." If a plan uses more than one trust or custodial account for its fund, you should enter the primary trust or custodial account in which the greatest dollar amount or largest percentage of the plan assets as of the end of the plan year is held on this line. For example, if a plan uses three different trusts, X, Y, and Z, with the percentages of plan assets, 35%, 45%, and 20%, respectively, trust Y that held the 45% of plan assets would be entered on line 6a.

Line 4b. (Optional) You may use this line to enter the "Trust's Employer Identification Number (EIN)" assigned to the employee benefit trust or custodial account, if one has been issued to you. The trust EIN should be used for transactions conducted for the trust. If you do not have a trust EIN, enter the EIN you would use on Form 1099-R, Distributions From Pensions, Annuities, Retirement or Profit-Sharing Plans, IRAs, Insurance Contracts, etc., to report distributions from employee benefit plans and on Form 945, Annual Return of Withheld Federal Income Tax, to report withheld amounts of income tax from those payments.

Do not use a social security number in place of an EIN. Form 5500-EZ is open to public inspection. Because of privacy concerns, the inclusion of a social security number may result in the rejection of the filing.

Trust EINs can be obtained from the IRS by applying for one on Form SS-4, Application for Employer Identification Number. See instructions to line 2b (Form 5500-EZ) for applying for an EIN. Also see IRS EIN application link page for further information.

Note. Although lines 4a and 4b are optional, the IRS encourages filers to provide trust information on these lines.

Line 5. If the employer's name and/or EIN have changed since the last return was filed for this plan, enter the employer's name, EIN, and the plan number as it appeared on the last return filed for this plan.

Part III – Financial Information

Note. Amounts reported on lines 7a, 7b, and 7c for the beginning of the plan year must be the same as reported for the end of the plan year on the return for the preceding plan year. Use whole dollars only.

Line 7a. "Total plan assets" include rollovers and transfers received from other plans, unrealized gains and losses such as appreciation/depreciation in assets. It also includes specific assets held by the plan at any time during the plan year (for example, partnership/joint venture interests, employer real property, real estate (other than employer real property), employer securities, loans (participants and non-participant loans), and tangible personal property).

Enter the total amount of plan assets at the beginning of the plan year in column (1). Do not include contributions designated for the 2012 plan year in column (1). Enter the

total amount of plan assets at the end of the plan year in column (2).

Line 7b. Liabilities include but are not limited to benefit claims payable, operating payables, acquisition indebtedness, and other liabilities. Do not include the value of future distributions that will be made to participants.

Lines 8a and b. Enter the total cash contributions received and/or receivable by the plan from employers and participants during the plan year.

Line 8c. Enter the amount of all other contributions including transfers or rollovers received from other plans valued on the date of contribution.

Part IV – Plan Characteristics

Line 9. Enter the two-character plan characteristics from the List of Plan Characteristics Codes found later in these instructions.

Note. In the case of an eligible combined plan under section 414(x) and ERISA section 210(e), the codes entered in line 9 must include any codes applicable for either the defined benefit pension features or the defined contribution pension features of the plan.

New plan characteristics codes were added in the 2009 Instructions for Form 5500-EZ to identify foreign plans, one-participant plans that satisfy the minimum coverage requirements of section 410(b) only when combined with another plan of the employer, plans whose sponsors received services of leased employees (as defined in section 414(n)), and plans whose sponsors are members of a controlled group under section 414(b) or (c), or an affiliated service group under section 414(m).

Part V – Compliance and Funding Questions

Line 10. You must check “Yes” if the plan had any participant loans outstanding at any time during the plan year and enter the amount outstanding as of the end of the plan year.

Enter on this line all loans to participants including residential mortgage loans that are subject to section 72(p). Include the sum of the value of the unpaid principal balances, plus accrued but unpaid interest, if any, for participant loans made under an individual account plan with investment experience segregated for each account made in accordance with 29 CFR 2550.408b-1 and which are secured solely by a portion of the participant’s vested accrued benefit. When applicable, combine this amount with the current value of any other participant loans. Do not include a participant loan that has been deemed distributed.

Line 11. Check “Yes” if this plan is a defined benefit plan subject to the minimum funding standard requirements of section 412.

Line 11a. Enter the amount from line 39 of Schedule SB (Form 5500).

If the plan is a defined benefit plan, the enrolled actuary must complete and sign the 2012 **Schedule SB (Form**

5500) and forward it no later than the filing due date to the person responsible for filing Form 5500-EZ. The completed Schedule SB is subject to the records retention provisions of the Code. See the 2012 Instructions for Form 5500 for more information about Schedule SB.

Line 12a. If a waiver of the minimum funding standard for a prior year is being amortized in the current plan year, enter the month, day, and year (MM/DD/YYYY) the letter ruling was granted.

If a money purchase defined contribution plan (including a target benefit plan) has received a waiver of the minimum funding standard, and the waiver is currently being amortized, complete lines 3, 9, and 10 of **Schedule MB (Form 5500)**. See the Instructions for Schedule MB in the Instructions for Form 5500. Do not attach Schedule MB to the Form 5500-EZ. Instead keep the completed Schedule MB in accordance with the applicable records retention requirements.

1B	Benefits are primarily flat dollar (includes dollars per year of service).
1C	Cash balance or similar plan – Plan has a “cash balance” formula. For this purpose, a “cash balance” formula is a benefit formula in a defined benefit plan by whatever name (for example, personal account plan, pension equity plan, life cycle plan, cash account plan, etc.) that rather than, or in addition to, expressing the accrued benefit as a life annuity commencing at normal retirement age, defines benefits for each employee in terms more common to a defined contribution plan such as a single sum distribution amount (for example, 10 percent of final average pay times years of service, or the amount of the employee's hypothetical account balance).
1D	Floor-offset plan – Plan benefits are subject to offset for retirement benefits provided by an employer-sponsored defined contribution plan.
1E	Section 401(h) arrangement – Plan contains separate accounts under section 401(h) to provide employee health benefits.
1F	Section 414(k) arrangement – Benefits are based partly on the balance of the separate account of the participant (also include appropriate defined contribution pension feature codes).
1I	Frozen plan – As of the last day of the plan year, the plan provides that no participant will get any new benefit accrual (whether because of service or compensation).
CODE	Defined Contribution Pension Features
2A	Age/Service Weighted or New Comparability or Similar Plan – Age/Service Weighted Plan: Allocations are based on age, service, or age and service. New Comparability or Similar Plan: Allocations are based on participant classifications and a classification(s) consists entirely or predominantly of highly compensated employees; or the plan provides an additional allocation rate on compensation above a specified threshold, and the threshold or additional rate exceeds the maximum threshold or rate allowed under the permitted disparity rules of section 401(l).
2B	Target benefit plan.
2C	Money purchase (other than target benefit).

2D	Offset plan – Plan benefits are subject to offset for retirement benefits provided in another plan or arrangement of the employer.
2E	Profit-sharing.
2J	Section 401(k) feature – A cash or deferred arrangement described in section 401(k) that is part of a qualified defined contribution plan that provides for an election by employees to defer part of their compensation or receive these amounts in cash.
2K	Section 401(m) arrangement – Employee contributions are allocated to separate accounts under the plan or employer contributions are based, in whole or in part, on employee deferrals or contributions to the plan. Not applicable if plan is 401(k) with only QNECs and/or QMACs. Also not applicable if section 403(b)(1), 403(b)(7), or 408 arrangement/accounts annuities.
2R	Participant-directed brokerage accounts provided as an investment option under the plan.
2S	Plan provides for automatic enrollment in plan that has elective contributions deducted from payroll.
2T	Total or partial participant-directed account plan – Plan uses default investment account for participants who fail to direct assets in their account.
CODE	Other Pension Benefit Features
3A	Non-U.S. plan – Pension plan maintained outside the United States primarily for nonresident aliens.
3B	Plan covering self-employed individuals.
3C	Plan not intended to be qualified – A plan not intended to be qualified under sections 401, 403, or 408.

3F	Plan sponsor(s) received services of leased employees, as defined in section 414(n), during the plan year.
3H	Plan sponsor(s) is (are) a member(s) of a controlled group (sections 414(b), (c), or (m)).
3J	U.S.-based plan that covers residents of Puerto Rico and is qualified under both section 401 and section 1165 of Puerto Rico Code.
