Appendix B: Focus Group Moderator's Guide

Form 4562 – Depreciation and Amortization

INTRODUCTION

Introduction of the moderator

The purpose of the focus group is to get your input on the Form 4562, Amortization and Depreciation.

Explanation of the purpose of the focus group approach — to explore in a semi-structured manner what people think about the issues.

- The group discussion of the issues often generates deeper insights than individual one-on-one interviews.
- A topic-oriented discussion of issues allows the participants to identify the important dimensions that might be lost in a structured interview setting.
- It's interactive so that the participants can talk back to us—ask what we mean, tell us when a question doesn't make any sense, or means different things to different people.

BASIC GROUND RULES

- Everything that you say here will be kept strictly private to the extent allowed by law. We will use first names only and names will not be used in the report. You will remain anonymous and are free to tell me what you think.
- For the IRS to speak with the public, we are required to have approval from the Office of Management and Budget. Their approval number for this project is 1545-1349 with this study or suggestions on making this process simpler, please write to the: IRS Tax Products Coordinating Committee, 1111 Constitution Avenue, NW, IR-6526, Washington, DC 20224.
- We are audio taping the meeting for use in preparing a report about findings. Your name will not be used in the report; but the tapes will help me remember the valuable input you give me to share with the Service. *[Note to moderator: if anyone voices concern, also mention that the note taker cannot write as fast as participant's speak nor can you remember everything after traveling to four different cities over several months.]*
- Because we are taping this meeting, I ask that you speak loudly and clearly. If I think you are speaking too softly to be heard on the tape, I will ask you to speak up.
- Please speak just one at a time so everyone has a chance to participate.

- Don't engage in side conversations—we need for everyone to hear what the others are saying and for everything that's said to be heard easily on the tape.
- Sometimes I'll go around the table and ask everyone for their input. At other times, I will just throw a topic open for general discussion.
- Participation—we need to get a full range of opinions, and we need everyone's participation. You are here to talk. I am here to listen. I am not an expert in tax law so I cannot answer questions that involve tax law represented in Form 4562.
- No evaluation—there are no right and wrong answers. We expect differences in how people see things, and we need to know about these differences.
- Feel free to disagree or question each other. The purpose of a group session is that we learn things in group interchanges that we don't get out of one-on-one discussions. If someone says something you disagree with, please let us know.
- If you have a cell phone, please turn it off, or set it to vibrate. We don't want the group to be disturbed and we also need your full attention during the session.
- The session will last about two hours.

INTRODUCTION OF PARTICIPANTS

Let's go around the table. Please introduce yourself (first name only, please) and tell us how you file your tax reruns (e-file, mail, etc.).
