W&I Taxpayer Experience Survey 2013

In an effort to improve its services, The Internal Revenue Service (IRS) is asking customers about their experiences and opinions. Your responses assist the IRS to reduce the burden on the average taxpayer in preparing and filing taxes and to identify ways to improve the level of service IRS provides to taxpayers.

The survey takes about 20 minutes to complete. This is an opinion survey about YOUR experiences in preparing and filing your taxes. Please complete the questions even if you used a tax professional to help prepare your return(s). We need input from a cross-section of individual taxpayers to get a true picture of what Americans think, not just what "experts" say.

This survey is conducted for the IRS by an independent national research organization, Research Now. Your answers are anonymous and no personal identifying information will be released to the IRS. If you have any questions about this survey, please contact Research Now Panel Relations at (xxx) xxx-xxxx.

The OMB Control Number for this study is 1545-1432. Also, if you have any comments regarding the time estimates associated with this study or suggestions on making this process simpler, please contact the Internal Revenue Service, Tax Products Coordinating Committee, SE:W:CAR:MP:T:T:SP, 1111 Constitution Ave. NW, Washington, DC 20224.

Thank you in advance for your participation!
