

**GREAT LAKES ELECTRONIC PILOT MANAGEMENT SYSTEM**

OMB Control Number:1625-0086

Expiration date: 7/31/2013

Authority: 46 U.S.C. §9303 and 46 CFR §§ 401 and 404.

Purpose: The Coast Guard will use this information to review the operational compliance of the pilot associations and the individual pilots. The Coast Guard will also use this information to proscribe rates for pilotage services.

Routine Uses: Information will be used by Coast Guard personnel to determine a pilot's and an association's compliance with the operational and financial statutes and regulations. Any external disclosures of data within this record will be made in accordance with DHS/USCG-006, Great Lakes Registered Pilot and Applicant Pilot Eligibility System of Records, 73 Federal Register (FR) 245, December 19, 2008.

Disclosure: Furnishing this information is voluntary; however, failure to furnish the requested information may delay or prevent the compliance review of an individual pilot or association, which may prevent you from providing registered pilotage service on the Great Lakes.]

NOTICE from U.S. Coast Guard

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number.

The Coast Guard estimates that the average burden for this report is 18 minutes. You may submit any comments concerning the accuracy of this estimate or any suggestions for reducing the burden to:
