eZ-Audit Overview

Frequently Asked Questions…

What is eZ-Audit?

eZ-Audit is a web based paperless single point of submission for financial statements and compliance audits. A designee from your school simply signs on to eZ-Audit, enters summary audit and financial data directly from your report into a web form, attaches an electronic version of the report, and hits the submit button. Your submission through eZ-Audit will allow for more rapid and efficient processing by the Department of Education (**ED**) and therefore provide you with immediate feedback.

How does eZ-Audit work?
1. Your school submits its compliance audit data and summary financial data via an Internet web form (follow this manual for complete instructions).
2. Your school also attaches an electronic copy of your financial statement and compliance audit in a non-editable PDF format (using Adobe Acrobat).
3. The eZ-Audit system automatically forwards flagged financials and deficient audits to FSA's School Participation Management Team for resolution.
4. School Participation Teams communicate with you to reach resolution.
5. As desired, you can periodically check eZ-Audit for the status of your report.

How does eZ-Audit Benefit You?
- You will receive instant acknowledgement of receipt – no more lost reports!
- You will no longer need to make any copies or send reports in the mail to ED.
- Processing times will be greatly reduced, thus allowing for quicker remediation of findings.
- Web forms will contain pre-populated fields.
- There are no new reporting requirements – data entry will be limited to the same data already contained in the reports.
- The time spent submitting these forms should be less than 1 hour.
- Status of your submissions will be accessible to you online at anytime.
- A Help Desk is available for assistance Monday – Friday, 9:00 a.m. – 5:00 p.m. EST. Call 1-877-263-0780 or email fsaezaudit@ed.gov

Who at my school will use eZ-Audit?
- *eZ-Audit Institution/School Administrator*, selected by your school, is responsible for:
  - Registering your school with eZ-Audit
  - Providing/managing access to data entry and submission approval personnel, as identified by your school
  - Maintaining security information regarding schools users as required
- *eZ-Audit Data Entry Users*, selected by your school, are responsible for:
  - Entering data into the eZ-Audit system
  - Attaching non-editable, PDF files of financial statements and compliance audits
- *eZ-Audit Submission Approvers*, selected by your school, are responsible for:
  - Reviewing the submission prior to "submit"
  - Approving the submission via the "submit" action

Step-by-Step Guide to Using eZ-Audit For Public Schools

What role should my auditor play in eZ-Audit?
You may choose to ask your auditor to serve as a *Data Entry User* of eZ-Audit. This means that your auditor would complete the fields in the system, and attach the audited documents in the non-editable. PDF format. It your auditor is *not* selected as a Data Entry User, you may request that your auditor electronically sends you your financial statements and compliance audits in the non-editable PDF format using Adobe Acrobat.

Please note that the PDF files containing your financial statements and compliance audits will be included as attachments to your eZ-Audit submission – all signature pages in the financial statements and compliance audits, as well as the school's corrective action plan, must be scanned.

eZ-Audit Technical Requirements
eZ-Audit is a **web-based application.** This means you will not need to load a new application on your computer. You will simply need to ensure that you have an **Internet browser – either Netscape 4.76 or 6.2 or Internet Explorer 5.0 or higher.**

NOTE	**If you receive an error that does not allow you to access eZ-Audit when you type in the URL from your internet browser, please contact your network administrator and request that he/she do one of the following:**

- Open your firewall to allow all 165.224.xxx.xxx addresses through, which would allow your school access to all ed.gov sites
- Conduct an nslookup on ezaudit.ed.gov which will allow your school access to eZ-Audit

eZ-Audit requires you to attach a non-editable PDF version of your annual submissions. **Adobe Acrobat** must be used to create this attachment. You have several *options* for obtaining Adobe Acrobat:

- Purchase Adobe Acrobat 5.0 software that will allow you to scan paper copies of your submissions and convert them to PDF. (The retail cost of the software is approximately $250)
- Convert an electronic version of your submission (word, excel, etc) to PDF format using www.adobe.com online. (Adobe provides this conversion capability for $9.99 for one month with unlimited use.)
- Bring paper copies of your submissions to your local copying center (Kinkos, etc.) and request that they create a PDF version of your submission. (The cost of this option will vary, however $30 - $50 is a reasonable estimate.)

School Group Submissions
ED considers a school group as one A-133 report submission for multiple OPEIDs. For example, the State of Louisiana submits one statewide financial report and A-133 audit for all the state schools in Louisiana. Another example would be a nursing program with a separate OPEID included in A-133 of a university.

NOTE	**When more than one OPEID is covered in an A-133 audit, ED considers this to be a school group, e.g., if a State submits a state-wide A-133 audit covering all of the state universities, each with a different OPEID.**

The school group should designate one of the OPEIDs as the submitting institution. The submitting institution registers with the eZ-Audit and does the submission for all of the schools in the school group. As part of the eZ-Audit submission, the submitting institution has to complete the Compliance Audit Information page. This should be done only once,

covering all of the schools in the school group. In answering the questions on the page, the submitting institution should answer 'Yes" if the condition applies to any of the schools. For example, if any of the schools participates in FFEL programs, the answer for the school group would be 'Yes'. If the information populated in the application is incorrect or should you require additional assistance, please contact eZ-Audit at 1-877-263-0780 or by email at fsaeezaudit@ed.gov

Dear President:

Pursuant to 34 CFR 668.23 of the Student Assistance General Provisions regulations, an institution participating in any Title IV, HEA program must submit annually to the Secretary, its compliance audit and audited financial statements no later than six months after the last day of the institution's fiscal year.

Your institution's materially complete and acceptable audit and/or financial statements for the fiscal year ended 10/31/2004 have not been received by the submission deadline date of 10/31/2004.

If you have submitted compliance audit and financial statements which were deemed unacceptable and returned to the institution, the submission deadline continues to apply until acceptable audit reports are resubmitted to the Department. Please resubmit the audit/financial statements for the fiscal year ended 10/31/2004 within 10 days of the receipt of this letter via eZ-Audit at www.ezaudit.ed.gov.

If we do not receive the required submission within 10 days of your receipt of this letter, your institution may be subject to assessment of liabilities for all unaudited funds for the audit period and other appropriate action noted under 34 CFR 668, Subpart G. If you have already submitted your compliance audit and financial statements for the fiscal year ending 10/31/2004, please contact the eZ-Audit Help Desk at 1-877-263-0780.

Thank you in advance for your cooperation.

Sincerely
