Instructions: Mark the diagram with the exact position of any distinguishing marks, scars or brands. Brands to be drawn in position. Scars to be marked and indicated with an arrow (->). Stars or blazes on the face and any other markings to be drawn in on the diagrams showing position shape as accurately as possible. Whorls should be marked with a (X). If no markings – this fact should be stated.

***NOTE: The original copy of the health certificate must remain with the horse if the horse is being temporarily exported. Any clearance by Customs, such as a stamp, must be affixed on the reverse side of the original health certificate. Horses temporarily exported to Canada must return within 30 days of the date of issuance of the health certificate. Exhibition horses must return 90 days from entry into Canada.**

****NOTE: The date of issuance must be the date of veterinary inspection.**

Exporter must furnish four (4) copies for USDA endorsement. The original and two (2) copies accompany the shipment, the fourth copy is for the Veterinary Services Assistant District Director's office.
