No	Do not need to score—calculate after scoring		
Total:			

Locomotion score:

- 1 = Sound (no gait abnormality)
- 2 = Mildly lame (slight gait abnormality)
- 3 = Moderate to severely lame (obvious limp in one or more limbs)

Hock score:

- 1 = No lesion (no swelling or hair loss)
- 2 = Mild lesion (hair loss but no evidence of swelling)
- 3 = Severe lesion (swelling and/or ulceration)

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0579-0205. The time required to complete this information collection is estimated to average .75 hours per response, including the time for reviewing instructions, searching existing data resources, gathering the data needed, and completing and reviewing the collection of information.
