

National Institute of Standards and Technology (NIST)

Manufacturing Extension Partnership (MEP) Program

Advanced Manufacturing Jobs and Innovation Accelerator Challenge (AMJIAC) Survey

Sample Email Sent to Survey Clients

This survey, which is underwritten by the National Institute of Standards and Technology, Manufacturing Extension Partnership (NIST MEP) requires approximately 15 minutes of your time.

To better assist you and the other clients in the future, it is important that we obtain your feedback to evaluate the effectiveness and impact of the services provided to your company. Your comments provide us with important information to judge the quality and usefulness of our services. Your participation is greatly appreciated. Thank you for your time.

The survey is voluntary. Only aggregate data will be released to the public. No agency may conduct, and no person is required to respond to any information collection that does not display a valid OMB control number. The OMB control number for this information collection is 0693-XXXX, expiration date- XX/XX/XXXX.

Note: While NIST will take reasonable precautions to protect any personally identifiable information (PII) or business identifiable information (BII) submitted on this form, the Department of Commerce considers this PII/BII to be non-sensitive. The electronic transmission of non-sensitive PII/BII is equivalent to transmitting the same information by the U.S. mail, a private delivery service, courier, facsimile, or voice. Although each of these methods has vulnerabilities, the transmitted information can only be compromised as a result of theft, fraud, or other illegal activity. By transmitting this information on this form the sender is indicating their acceptance of this risk.
