# Phase 1 Comparative Study Questionnaire (Pretesting Version)

# **INTRODUCTION**

Thank you for agreeing to participate in this study today.

Make sure you are comfortable and can read the screen from where you sit. This study is about advertising for a new product. We will show you an ad for a new product, then ask you some questions about it. Your answers are private, and no one will ever connect your name with your answers. Your input is extremely valuable.

#### **INSTRUCTIONS (for participants in print conditions)**

Even though it is on a computer screen, please read this ad as if it were in a magazine. Imagine that this ad is for a product that you might be interested in for yourself. You can take as much time as you want to review it. We will ask you some questions about the ad later in the study.

The ad has two pages. You can enlarge and flip between the pages by clicking on the "Next" and "Back" buttons at the bottom of each page. Once you finish reading, please click "next" to move to the next part of the study.

### **INSTRUCTIONS (for participants in television conditions)**

Even though it is on a computer screen, please watch this ad as if you saw it on television. Imagine that this ad is for a product that you might be interested in for yourself. We will ask you some questions about the ad later in the study. Once you finish viewing, please click "next" to move to the next part of the study.

# SURVEY INSTRUCTIONS

Now please answer the following questions based on the ad you saw.

#### Q1a. [Ad Viewing]

Were you able to view the ad for [ADVERTISED DRUG NAME]? Yes No → [Terminate] Not sure → [Terminate]

\*\*\*\*\*\*QUESTIONS Q1b-3b. ASKED OF PRINT CONDITIONS ONLY\*\*\*\*\*\*\*\*

#### Q1b. [Check to Ensure that the Stimuli Function Properly]

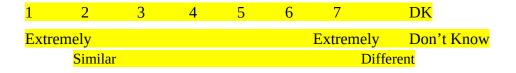

How easy or difficult was it to flip between the pages in the ad for [<u>ADVERTISED\_DRUG</u> <u>NAME</u>]?

1 2 3 4 5 6 7

Extremely Easy Extremely Difficult

Q2b. [Check to Ensure that the Stimuli were Perceived as Realistic]

How similar or different was this ad compared to ads that you have seen in magazines for other prescription medications?

Q3b. [Check to Ensure that the Stimuli were Perceived as Realistic]

Was the information in this ad less believable or more believable than the information that you have seen in magazines for other prescription medications?

1	2	3	4	5	6	7	DK
Les	5		Neither	less		More	Don't Know
<mark>Beli</mark>	evable		nor moi	re belie	vable	Believable	

\*\*\*\*\*\*QUESTIONS Q2a-3a. ASKED OF BROADCAST CONDITIONS ONLY\*\*\*\*\*\*\*

Q2a. [Check to Ensure that the Stimuli Function Properly]

Please write down your first reactions to the ad you just watched. (open-ended)

Q2b. [Check to Ensure that the Stimuli were Perceived as Realistic]

How similar or different was this ad compared to ads that you have seen on television for other prescription medications?

1	2	3	4	5	6	7	DK
<mark>Extr</mark>	emely					Extremely	Don't Know
Similar						Diffe	erent

#### Q3a. [Check to Ensure that the Stimuli were Perceived as Realistic]

Q4. This ad compared [ADVERTISED DRUG NAME] to other medications.

Yes No Not sure

\*Ask Q5 only if Respondent answered "**Yes**" to Q4. **Q5. Did the ad compare [ADVERTISED DRUG NAME]** to a <u>specific medication</u> or to <u>other medications in general</u>? A specific medication

Other medications in general Not sure

\*Ask Q6 only if Respondent answered "A specific medication" to Q5.\*

**Q6.** What was the name of the <u>specific medication</u> that [<u>ADVERTISED DRUG NAME</u>] was compared to?

(open ended)

\*Counterbalance the presentation of the benefits (Qs 7-15) and risk (Qs 16-26, 25-28) sections of the survey.\*

## Q7. [Benefit Recall (advertised drug)]

#### What are the benefits of [ADVERTISED DRUG NAME]?

(open ended)

#### Q8. [Perceived Efficacy / Likelihood of Benefit (advertised drug)]

If you took [ <u>ADVERTISED_DRUG NAME</u> ], how likely or unlikely do you think it is that								
[ADVE]	RTISED DRUC	<mark>F NAME</mark> ] wo	uld help your o	steoarthritis	symptoms?			
1	2	3	4	5	6	7		
Extreme	ly unlikely				Extremel	y likely		

### Q9. [Perceived Efficacy / Magnitude of Benefit (advertised drug)]

If [ADVERTISED DRUG NAME] did help your osteoarthritis symptoms, how effective do you think [ADVERTISED DRUG NAME] would be?								
1	2	3	4	5	6	7		
Would	eliminate none o	of my symptom	s v	Would eliminat	e all of my sy	ymptoms		
Q10. [Relative Efficacy]								

Compared to [COMPARATOR DRUG NAME/OTHER MEDICATIONS], how well do									
you think [ <mark>A</mark>	<b>DVERT</b>	ISED DRUG N	[AME] works?						
1	2	3	4	5	6	7			
Much worse		I	About the same		Much	better			

#### Q11. [Relative Likelihood of Benefit]

Compare	d to [ <mark>COMP</mark>	ARATOR DR	UG NAME/O'	THER MEDIC	CATIONS],	how likely or		
unlikely do you think it is that [ADVERTISED DRUG NAME] would help your								
osteoarthritis symptoms?								
1	2	3	4	5	6	7		
Extremely unlikely Extremely likely								

#### Q12. [Benefit Comprehension – Closed ended]

Based on the ad that you saw, please mark whether each of the following was mentioned as benefits of taking [ADVERTISED DRUG NAME]. Even if you think a statement is true, please select it only if it was mentioned in the ad. [Randomize presentation order]

[RANDOMIZE ORDER]	In the Ad	Not in the Ad	Don't Know
a. Controls the pain of osteoarthritis	x		
b. Controls the swelling from osteoarthritis	X		
c. Can be applied directly to sore muscles for pain relief		Х	
d. Improves the range of motion in joints		Х	

#### 13. [Perceived Likelihood of benefit (advertised drug)]

If you took [<u>ADVERTISED DRUG NAME</u>], how likely or unlikely do you think it is that [<u>ADVERTISED DRUG NAME/IT</u>] would help your osteoarthritis pain?

1	2	3	4	5	6	7
Extremely u	nlikely				Extreme	ly likely

# Q14. [Perceived Magnitude of benefit (advertised drug)]

If [<u>ADVERTISED DRUG NAME</u>] did help your osteoarthritis pain, how effective do you think [<u>ADVERTISED DRUG NAME/IT</u>] would be?

1234567Would help my osteoarthritis pain very littleWould help my osteoarthritis pain aWould help my osteoarthritis pain a

#### Q15. [Comparative Advantage/ Experimental Manipulation Check]

Please choose a response based on the information you learned in the ad. What advantage does [ADVERTISED DRUG NAME] have over [COMPARATOR DRUG NAME/OTHER MEDICATIONS] for osteoarthritis?

	Ye	Ν
	s	0
a. [ <u>Advertised Drug</u> ] has been shown to be more effective in controlling the pain of osteoarthritis than [ <u>Comparator Drug</u> / <u>other prescription</u> <u>drugs</u> ].	x	

b. [Advertised Drug] has been shown to be more effective in controlling the swelling of osteoarthritis than [Comparator Drug/ other prescription drugs].	x	
c. [Advertised Drug] works for people with several common risk factors for osteoarthritis but [Comparator Drug/ other prescription drugs] does not.		x
d. [Advertised Drug] can be used to treat severe swelling but [Comparator Drug/ other prescription drugs] cannot.		x
e. [Advertised Drug] is the #1 prescribed medication for osteoarthritis but [Comparator Drug/ other prescription] is not.		x

#### Q16. [Risk Recall]

#### What are the side effects and negative outcomes of [<u>ADVERTISED DRUG NAME</u>]?

(open ended)

### Q17-21. [Perceived Risk (advertised drug)]

Based on the information in the ad, please rate the risk of [ADVERTISED DRUG NAME]. Now, please think about the side effects and negative outcomes associated with taking [ADVERTISED\_DRUG NAME]. Please place an "X" on the space below that best describes how you feel about the risks of taking this prescription medication **ADVERTISED DRUG** NAME]. Q17) How dangerous do you think [ADVERTISED DRUG NAME] is for you? Very dangerous Not at all dangerous **Q18**) How would you feel about using [ADVERTISED DRUG NAME] for yourself? Very afraid Not at all afraid **Q19**) If you used **[ADVERTISED DRUG NAME]**, how likely do you think you would be to experience a side effect? Very likely Not at all likely **Q20**) What do you think about the risks of using **[ADVERTISED DRUG NAME]** compared to the benefits? **Risks** greater Benefits greater than benefits than risks

**Q21**) How risky is it for you to use [ADVERTISED\_DRUG NAME]?

Very risky								Not at all risky
------------	--	--	--	--	--	--	--	------------------

#### Q22. [Perceived Susceptibility of risk (advertised drug)]

If you took [ADVERTISED DRUG NAME] how likely do you think it is that you would have any side effects or negative outcomes from [ADVERTISED DRUG NAME]? 1 2 3 4 5 6 7 Very unlikely Very likely Q23. [Perceived Severity of risk (advertised drug)] If [<u>ADVERTISED DRUG NAME</u>] did cause you to have side effects or negative outcomes, how serious would they be?

1	2	3	4	5	6	7
Not at all			Moderately			Very
serious			serious			serious

Q24a. [Attention filter] (for participants in print conditions)

Toward the bottom of the print ad for the prescription drug that you were shown, did you see a box with a picture of Tony the Tiger in it?

Yes → [Terminate] No → Can't Remember → [Terminate]

#### Q24b. [Attention filter] (for participants in broadcast conditions)

Toward the end of the television ad for the prescription drug that you were shown, did you see a box with a picture of Tony the Tiger in it?

Yes → [Terminate] No → Can't Remember → [Terminate]

# Q35. [Current Prescription Drug Use]

### Are you currently taking any prescription drugs for osteoarthritis?

- Yes
- No
- Don't Know

#### Q36. [Intention to change medications (hypothetical)]

# Please rate how likely or unlikely you are to switch to [ADVERTISED DRUG NAME].

12345Very UnlikelySomewhat UnlikelyNeither Likely nor UnlikelySomewhat LikelyVery Likely

#### Q37. [Another option]

# If you could take [either of the two drugs] for free, which drug would you rather take?

- ADVERTISED DRUG NAME
- <u>COMPARATOR DRUG NAME/ANOTHER OSTEOARTHRITIS MEDICATION</u>
- Neither drug

#### Q38. [Perceived severity of personal illness]

#### How severe is your osteoarthritis now? Would you describe it as:

- Very mild
- Mild
- Moderate
- Serious
- Severe

#### Q39. [Health Literacy]

#### How confident are you in filling out medical forms?

- Not at all
- A little
- Somewhat
- Quite a bit
- Extremely

#### Q40.[Need for cognition]

Please rate your agreement or disagreement with each of the following statements.

		Disagree a lot	Somewhat disagree	Neither agree nor	Somewhat agree	Agree a lot
		aiut	uisagi ee	disagree	agree	101
a.	I like to have the					
	responsibility of					
	handling a situation					
	that requires a lot of					
	thinking.					
b.	I prefer complex to					
	simple problems.					
с.	I try to anticipate and					
	avoid situations where					
	there is a likely					
	chance I will have to					
	think in depth about					
	something.					

Q41. Please tell us if you have any other comments about the ad that you saw or about the questions that you answered (open-ended)

[Debriefing Statement]

The purpose of this study is to learn about reactions to advertising for prescription drugs. In order to get a real-life reaction, we used pretend products in this study. [ADVERTISED DRUG NAME] and [COMPARATOR DRUG NAME] are not real products and are not available for sale. Please see your healthcare professional for questions about osteoarthritis.

You have been very helpful. Thank you very much for your participation!

# Phase 2 Comparative Study Questionnaire (Pretesting Version)

#### INTRODUCTION

Thank you for agreeing to participate in this study today.

Make sure you are comfortable and can read the screen from where you sit. This study is about advertising for a new product. We will show you an ad for a new product, then ask you some questions about it. Your answers are private, and no one will ever connect your name with your answers. Your input is extremely valuable.

### **INSTRUCTIONS (for participants in print conditions)**

Even though it is on a computer screen, please read this ad as if it were in a magazine. Imagine that this ad is for a product that you might be interested in for yourself. You can take as much time as you want to review it. We will ask you some questions about the ad later in the study.

The ad has two pages. You can enlarge and flip between the pages by clicking on the "Next" and "Back" buttons at the bottom of each page. Once you finish reading, please click "next" to move to the next part of the study.

#### **INSTRUCTIONS (for participants in television conditions)**

Even though it is on a computer screen, please watch this ad as if you saw it on television. Imagine that this ad is for a product that you might be interested in for yourself. We will ask you some questions about the ad later in the study. Once you finish viewing, please click "next" to move to the next part of the study.
