Survey Reminder Email

Survey Reminder

Dear [insert name],

A few weeks ago you should have received an email asking you to complete a voluntary response survey from the Early Hearing Detection and Intervention (EHDI) at the Centers for Disease Control and Prevention (CDC) about newborn hearing screening and follow-up in *(insert name of state or territory)*. This is a reminder that your response to this survey is requested by *(insert date)* and will be very helpful in determining progress towards National EHDI Goals. Even if you can only answer a few questions the information will be useful.

This survey can be completed online by visiting this website *(inset web address)*. The data submitted by all states and U.S. territories will be available online at the CDC-EHDI website at www.cdc.gov/ncbddd/hearingloss/ehdi-data.html.

Thank you for your time and efforts in this important matter. If you have any questions, please contact me at MGaffney@cdc.gov or (404) 498-3031.

Sincerely,

Marcus Gaffney
