## Non-Response Email

Dear [insert name],

A few days ago you should have received a reminder email asking you to complete a voluntary response survey from the Early Hearing Detection and Intervention (EHDI) at the Centers for Disease Control and Prevention (CDC) about newborn hearing screening and follow-up in *(insert name of state or territory)*. While the requested response date has passed we would still welcome your response to this survey. Even if you can only answer a few questions the information will be very helpful in determining progress towards National EHDI Goals.

This survey can be completed online by visiting this website *(inset web address)*. The data submitted by all states and U.S. territories will be available online at the CDC-EHDI website ([www.cdc.gov/ncbddd/hearingloss/ehdi-data.html](http://www.cdc.gov/ncbddd/hearingloss/ehdi-data.html)).

Thank you for your attention in this important matter and if you have any questions, please contact me at [MGaffney@cdc.gov](mailto:MGaffney@cdc.gov) or (404) 498-3031.

Sincerely,

Marcus Gaffney, MPH
