TELEPHONE SCRIPT FOR DISTRICT RECRUITMENT AND RESPONDENT IDENTIFICATION IN 2016

[PRIOR TO CALLING, CHECK DATE LETTER WAS SENT, SUPERINTENDENT'S NAME, STATE INFO, AND GENERAL DISTRICT INFO.]

The recruiter may not speak to the District Superintendent. Generally, you will speak with an administrative assistant or an Assistant Superintendent at the school district.

BEGIN SCRIPT

Hello. My name is _____ and I'm calling on behalf of CDC, the U.S. Centers for Disease Control and Prevention, as part of a study looking at school health policies and practices. [SUPERINTENDENT'S NAME] was recently sent a letter via FEDEX from the CDC, describing the School Health Policies and Practices Study. We've already spoken to [STATE CONTACT] at the [NAME OF STATE] Department of Education, and [STATE APPROVER] gave permission for us to contact your school districts. I am calling today to see if your office has received this FEDEX.

Did you receive that letter? This letter was sent on [DATE], via FEDEX, to [SUPERINTENDENT'S NAME] and our records indicate it arrived on [DATE]. The letter was from the CDC, dated [DATE], signed by Dr. Howell Wechsler, and there were several other materials enclosed as well, including information about how the study will be conducted. Could you tell me who will be handling the review of this request?

EXPLANATION OF STUDY (once a contact has been identified):

Let me just take a few minutes to briefly tell you about this study. [IF CONTACT DOES NOT HAVE MATERIALS THAT WE SENT]: I'd be happy to email or fax you a copy of the study information at the end of our conversation.

The purpose of the study is to describe the policies and practices related to school health at the district level nationwide. Participation in the study is completely voluntary. Beginning in October 2015, we will be collecting data from district personnel via web-based questionnaires.

I am calling today to confirm your district's participation in the study and to identify the appropriate district personnel to respond to the seven content areas.

Approval for District Participation:

As part of the study, we will begin contacting some of your staff in October 2013 to complete web-based questionnaires. I will need your help to identify

the appropriate individuals to complete these questionnaires. In the packet that was sent by the CDC were content outlines for each of the content areas.

If you have a moment, I'd like to ask your help in identifying individuals who can respond to these topics. There are seven topics in all that we need to identify respondents for; however, some topic areas may require the expertise of more than one person.

Is now a good time? Great!

The first content area I have on my list that we need to identify a respondent for is:

- HEALTH EDUCATION
- PHYSICAL EDUCATION AND ACTIVITY
- HEALTH SERVICES
- NUTRITION SERVICES
- HEALTHY AND SAFE SCHOOL ENVIRONMENT
- MENTAL HEALTH AND SOCIAL SERVICES
- FACULTY AND STAFF HEALTH PROMOTION

Is there someone in your district who oversees or coordinates...

- SCHOOL HEALTH EDUCATION?
- SCHOOL PHYSICAL EDUCATION AND ACTIVITY?
- SCHOOL HEALTH SERVICES?
- SCHOOL NUTRITION SERVICES?
- SCHOOL ENVIRONMENT, FOR EXAMPLE VIOLENCE PREVENTION, TOBACCO USE PREVENTION, FOODS AND BEVERAGES AVAILABLE OUTSIDE THE SCHOOL MEALS PROGRAM, PHYSICAL SCHOOL ENVIRONMENT?
- SCHOOL MENTAL HEALTH AND SOCIAL SERVICES?
- FACULTY AND STAFF HEALTH PROMOTION?

If yes → Can I get the name and telephone number for this person?

Name: _____ Title: _____
Phone Number: _____ E-mail: _____

Mailing Address: _____

If no → Is there an individual in your district who can knowledgeably answer questions on this topic, even though they do not officially oversee or coordinate...

- SCHOOL HEALTH EDUCATION?
- SCHOOL PHYSICAL EDUCATION AND ACTIVITY?

- SCHOOL HEALTH SERVICES?
- SCHOOL NUTRITION SERVICES?
- SCHOOL ENVIRONMENT, FOR EXAMPLE VIOLENCE PREVENTION, TOBACCO USE PREVENTION, FOODS AND BEVERAGES AVAILABLE OUTSIDE THE SCHOOL MEALS PROGRAM, PHYSICAL SCHOOL ENVIRONMENT?
- SCHOOL MENTAL HEALTH AND SOCIAL SERVICES?
- FACULTY AND STAFF HEALTH PROMOTION?

Can I have that person's name and telephone number?

Name: _____ Title: _____

Phone Number: _____ E-mail: _____

Mailing Address: _____

If no "knowledgeable respondent" can be immediately identified →

For the time being, would it be alright if I listed you as the respondent for this content area? I can follow up with you at a later date to see if someone else can be identified.

[REPEAT FOR EACH TOPIC AREA]

Finally, I'd like to ask about your district's configuration. Does your district include schools at the elementary, middle, and high school levels? **(IF NO)** What schools levels does your district include? **RECORD THIS INFORMATION IN THE ONLINE CASE MANAGEMENT SYSTEM. THIS INFORMATION WILL FEED INTO THE WEB-BASED QUESTIONNAIRES SO THAT DISTRICTS ARE ONLY ASKED ABOUT THE SCHOOL LEVELS CONTAINED IN THEIR DISTRICT.**

Thank you again for your time. We will begin contacting district personnel in early October to begin completing the web-based questionnaires. Before we contact the respondents, each respondent will receive a packet of information that provides background information about the study. Please feel free to call Alice Roberts, at 1-800-287-1815, if you have any questions before then.
