### INSTRUCTIONS FOR FILING FERC Form No. 1-F (Continued)

#### GENERAL INFORMATION (Continued)

#### III. What and Where to Submit

(a) Submit an original and one (1) copy of this form to:

Office of the Secretary Federal Energy Regulatory Commission 888 First Street, N E. Washington, DC 2042

- For the CPA certification, submit with the original submission or within 30 days after the filing date of FERC Form 1-F, a letter or report (not applicable to respondents classified as Class C or Class D prior to January 1, 1984):
  - 1. Attesting to the conformity, in all material aspects, of the below listed (schedules and) pages with the Commission's applicable Uniform Systems of Accounts (including applicable notes relating thereto and the Chief Accountant's published accounting releases), and
  - (II) Signed by independent certified public accountants or an independent licensed public accountant, certified or licensed by a regulatory authority of a State or other political subdivision of the U.S. (See 18 C.F.R. §§ 41.10-41.12 for specific qualifications.)

#### **Schedules**

Comparative Balance Sheet Statement of Income Statement of Retained Earnings Statement of Cash Flows Notes to Financial Statements

The following format must be used for the CPA Certification Statement for the letter or report unless unusual circumstances or conditions, explained in the letter or report, demand that it be varied. Insert parenthetical phrases only when exceptions are reported.

In connection with our regular examination of the financial statements of for the year ended on which we have reported separately under date of we have also reviewed schedules of Form 1-F for the year filed with the Federal Energy Regulatory Commission, for conformity in all material respects with the requirements of the Federal Energy Regulatory Commission as set forth in its applicable Uniform System of Accounts and published accounting records and such other auditing procedures as we considered necessary in the circumstances.

Based on our review, in our opinion the accompanying schedules identified in the preceding paragraph (except as noted below) conform in all material respects with the accounting requirements of the Federal Energy Regulatory Commission as set forth in its applicable Uniform System of Accounts and published accounting releases.

The letter or report must state which, if any, of the pages above do not conform to the Commission's requirements. Describe the discrepancies that exist.

Federal, State and Local Governments and other authorized users may obtain blank copies of the FERC Form 1-F free of charge from <u>http://www.ferc.gov/docs-filing/hard-fil.asp</u>.

#### When to Submit

Submit FERC Form 1-F on or before April 18<sup>th</sup> of the year following the calendar year covered by this report (18 C.F.R. § 141.2). Submit FERC Form 3-Q within 70 days from the end of the reporting quarter (18 C.F.R. § 141.400).

#### Where to Send Comments on Public Reporting Burden

The public reporting burden for the FERC Form 1-F collection of information is estimated to average 123 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

Send comments regarding the burden estimate or any aspect of the information collection, including suggestions for reducing this burden, to the Federal Energy Regulatory Commission, at

DataClearance@FERC.gov or to 888 First Street, NE, Washington DC 20426 (Attention: CIO Information Clearance Officer); and to the Office of Information and Regulatory Affairs, Office of Management and Budget, Washington, DC 20503 (Attention: Desk Officer for the Federal Energy Regulatory Commission). For security reasons, comments should be sent by e-mail to OMB at oira\_submission@omb.eop.gov.

You shall not be penalized for failure to respond to this collection of information unless the collection of information displays a valid OMB control number.

#### **GENERAL INSTRUCTIONS**

Report data as outlined in the U.S. of A. (18 C.F.R. Part 101) as designed for "Nonmajor" electric utilities. If the "Major" designated accounts are maintained, then the following schedules may be substituted:

Nonmajor Accounts Part Number	Major Accounts Schedule Page (FERC Form No. 1)			
III	110-113			
IV	114-117			
V	118-119			
XII	219			
XVII	320-323			
XVIII	310-311			

Enter in whole dollars only.

Indicate negative amounts by enclosing the figures in parenthesis ( ), except where otherwise noted (debit or credit).

Use Part XXII, Footnote Data, to footnote any entry made to parts through XXIX.

Enter Not applicable whenever a particular part is not applicable.

#### SPECIFIC INSTRUCTIONS

Item No. Instruction

All Refer to the form. All items are self-explanatory.

# PART VIII: NOTES TO FINANCIAL STATEMENTS

1. Use the space below for important notes regarding the Balance Sheet, Statement of Income for the year, Statement of Retained Earnings for the year, and Statement of Cash F lows, or any account thereof. Classify the notes according to each basic statement, providing a subheadi ng for each statement except where a note is applicable to more than one statement.

2. F urnish particulars (details) as to any significant contingent assets or liabilities existing at end of y ear, including a brief explanation of any action initiated by the Internal Revenue Service involving possible assessment of additional income taxes of material amount, or of a claim for refund of income taxes of a material amount initiated by the utility. Give also a brief explanation of any dividends in arrears on cumulative preferred stock.

3. For Account 116, *Utility Plant Adjustments, explain* the origin of such amount, debits and credits during the

year, and plan of disposition cont emplated, giving references to Commission orders or other authorizations respecting classification of amounts as plant adjustments and requirements as to disposition thereof.

4. Where Accounts 189, *Unamortized Loss* on Reacquired Debt, and 257, *Unamortized Gain on Reacquired Debt*, are not used, give an explanation, providing the rate treatment given these items. See General Instruction 17 of the Uniform Systems of Accounts.

5. Give a concise explanation of any retained earnings restrictions and state the amount of retai ned earnings affected by such restrictions.

6. If the notes to financial statements relating to the respondent company appearing in the annual r eport to the. stockholders are applicable and furnish the data required. by instructions above and on pages 6-11, such notes. may be attached hereto.

ELECTRIC PLANT IN SERVICE (Account 101, 102, 103 and 106) (Continued)									

Distributions of these tentative classifications in columns (c) and (d), including the reversals of the prior years tentative account distributions of these amounts. Careful observance of the above instructions and the texts of Accounts 101 and 106 will avoid serious omissions of the reported amount of respondent's plant actually in service at end of year.

7. Show in column (f) reclassifications or transfers within utility plant accounts. Include also in column (f) the additions or reductions of primary account classifications arising from distribution of amounts initially recorded in Account 102, include in column (e) the amounts with respect to accumulated provision for depreciation, acquisition adjustments, etc., and show in column (f) only the offset to the debits or credits distributed in column (f) to primary account classifications.

8. For Account 399, state the nature and use of plant included in this account and if substantial in amount submit a supplementary statement showing subaccount classification of such plant conforming to the requirement of these pages.

9. For each amount comprising the reported balance and changes in Account 102, state the property purchased or sold, name of vendor or purchase, and date of transaction. If proposed journal entries have been filed with the Commission as required by the Uniform System of Accounts, give also date.

Name of Respondent	This Report is: (1)	Date of Report (Mo, Da, Yr)	Year of Report
	(2) 🗌 A Resubmission		Dec 31,

## PART XXII: PURCHASES AND SALES OF ANCILLARY SERVICES

Report the amounts for each type of ancillary service shown in column (a) for the year as specified in Order No. 888 and defined in the respondents Open Access Transmission Tariff.

In columns for usage, report usage-related billing determinant and the unit of measure.

(1) On line 1 columns (b), (c), (d), (e), (f) and (g) report the amount of Scheduling, System Control and Dispatch services purchased and sold during the year.

(2) On line 2 columns (b) (c), (d), (e), (f), and (g) report the amount of reactive supply and voltage control services purchased and sold during the year.

(3) On line 3 columns (b) (c), (d), (e), (f), and (g) report the amount of regulation and frequency response services purchased and sold during the year.

(4) On line 4 columns (b), (c), (d), (e), (f), and (g) report the amount of energy imbalance services purchased and sold during the year.

(5) On lines 5 and 6, columns (b), (c), (d), (e), (f), and (g) report the amount of operating reserve spinning and supplement services purchased and sold during the period.

(6) On line 7 columns (b), (c), (d), (e), (f), and (g) report the total amount of all other types ancillary services purchased or sold during the year. Include in a footnote and specify the amount for each type of other ancillary service provided.

	Type of Ancillary Service	Amount Purchased For the Year			Amount Sold For the Year

## PART XXIII: Monthly Transmission System Peak Load

(1) Report the monthly peak load on the respondent's transmission system. If the respondent has two or more power systems which are not physically integrated, furnish the required information for each non-integrated system.

(2) Report on Column (b) by month the transmission system's peak load.

(3) Report on Columns (c) and (d) the specified information for each monthly transmission - system peak load reported on Column (b).

(4) Report on Columns (e) through (j) by month the system' monthly maximum megawatt load by statistical classifications. See General Instruction for the definition of each statistical classification.

	ENERGY STORAGE OPERATION	IS (Small Plants)	

1. Small Plants are plants less than 10,000 KW.

In columns (a), (b) and (c) report the name of the energy storage project, functional classification (Production, Transmission, Distribution), and location.
 In column (d), report project plant cost including but not exclusive of land and land rights, structures and improvements, energy storage equipment and any other costs associated with the energy storage project.

other costs associated with the energy storage project. 4. In column (e), report operation expenses excluding fuel, (f), maintenance expenses, (g) fuel costs for storage operations and (h) cost of power purchased for storage operations. If power was purchased from an affiliated seller specify how the cost of the power was determined.

5. If any other expenses, report in column (i) and footnote the nature of the item(s).

	ACCUMULATED PROVISION FOR DEPRECIATION OF ELECTRIC UTILITY PLANT (Account 108)						
	<ol> <li>Explain in a footnote any important adjustments during year.</li> <li>Explain in a footnote any difference between the amount for book cost of plant retired, Line 11, column (c), and that reported for electric</li> </ol>						
					and that reported for electric		
plant in service, pages 204-207, column (d), excluding retirements of non-depreciable property. 3. The provisions of Account 108 in the Uniform System of accounts require that retirements of depreciable plant be recorded when such							
plant is removed from service. If the respondent has a significant amount of plant retired at year end which has not been recorded and/or							
classified to the various reserve functional classifications, make preliminary closing entries to tentatively functionalize the book cost of the							
plant retired. In addition, include all costs included in retirement work in progress at year end in the appropriate functional classifications.							
4. Show separately interest credits under a sinking fund or similar method of depreciation accounting.
