

Renewable Fuel Standard (RFS) Report Instructions
RFS RIN Transaction Report
 Report Form ID: RFS0200

OMB Control No. 2060-0640
 Expires [PENDING]

Any party that delivers, acquires, or retires RINs during a reporting period must submit a separate RIN Transaction Report for each RIN transaction it conducts during a given quarter per Sec. 80.1152(c)(1).

Under Sec. 80.1152(a)(1)(x) obligated parties and renewable fuel exporters must provide a list of RINs used for compliance. Obligated parties must use a RIN Transaction report to list each continuous sequence of gallon-RIN in a batch-RIN used for compliance in the reporting year. These parties shall use the field 10 transaction type "RET" and the field 11 retired RIN code "USE" to note that the RIN was used for compliance purposes.

This report is due quarterly: First quarter (January – March) reports are due May 31; Second quarter (April – June) reports are due August 31; Third quarter (July – September) reports are due November 30; Fourth quarter (October – December) reports are due February 28.

Paperwork Reduction Act Statement

The public reporting and recordkeeping burden for this collection of information is disclosed in the estimates of the individual report form instructions. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Send comments on the Agency's need for this information, the accuracy of the provided burden estimates, and any suggested methods for minimizing respondent burden, including through the use of automated collection techniques to the Director, Collection Strategies Division, U.S. Environmental Protection Agency (2822), 1200 Pennsylvania Ave., NW, Washington, D.C. 20460. Include the OMB control number in any correspondence. Do not send the completed form to this address.
