

Renewable Fuel Standard (RFS2) Report Instructions

RFS2 Activity Report Report Form ID: RFS0104

The RFS0104 RFS2 Activity Report is applicable for RIN activity beginning April 1, 2012 and beyond. Supplemental information for RFS2 RIN activity will be provided by EMTS after the end of each quarter. The EMTS supplemental information must be used to populate the RFS2 required fields of this report; however, parties should not submit the EMTS Activity Report that is downloaded from EMTS. Please see the EPA Fuels Programs Reporting page for more information:
<http://www.epa.gov/otaq/fuels/reporting/rfs.htm>.

Obligated Parties with more than one registered facility may submit individual reports for each of their facilities, or aggregate facilities into a single reports. Obligated Parties that are gasoline or diesel importers with multiple import facilities must aggregate their reports. Obligated Parties who are both refiners and importers must report refiner and importer information separately. All non-obligated parties must aggregate these reports.

Additional Notes

- All fields are required to be filled in.
- This report is not applicable for submissions or resubmissions prior to April 1, 2012.
- All RFS1 RINs have expired and thus are no longer required to be reported.
- **Field 17:** Expired RFS2 RINs are required to be reported on this form.
- **Field 15 and 22:** For a RIN status of 1, amount of RINs separated for the quarter is to be reported. For a RIN status of 2, all parties should enter "NA".

Paperwork Reduction Act Statement

The public reporting and recordkeeping burden for this collection of information is disclosed in the estimates of the individual report form instructions. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Send comments on the Agency's need for this information, the accuracy of the provided burden estimates, and any suggested methods for minimizing respondent burden, including through the use of automated collection techniques to the Director, Collection Strategies Division, U.S. Environmental Protection Agency (2822), 1200 Pennsylvania Ave., NW, Washington, D.C. 20460. Include the OMB control number in any correspondence. Do not send the completed form to this address.
