| <p>A. Other changes** The Housing Notice entitled Section 8 Housing Assistance Payment Programs—Scheduling of Management and Occupancy Reviews (MORs), will implement the "risk-based" Management and Occupancy Review schedule. Under this approach the cadence of MORs performed by contract administrators under the current Annual Contributions Contract (ACC) for NOFA will be determined by the last MOR score received by a given property. In accordance with the ACC, the Contract Administrators will perform MORs using the schedule outlined in the Notice. The Notice also denotes when HUD will perform MORs outside of the defined schedule for properties administered by these Contract Administrators. This Notice does not add any additional burden.</p> | | |
