[Docket No. FR-5683-N-15]

Notice of Submission of Proposed Information Collection to OMB: Survey and Collection of Information From HUD Healthy Housing Demonstration Grantees

AGENCY: Office of the Chief Information Officer, HUD.

ACTION: Notice.

SUMMARY: The proposed information collection requirement described below has been submitted to the Office of Management and Budget (OMB) for review, as required by the Paperwork Reduction Act. The Department is soliciting public comments on the subject proposal.

The mission of HUD's Healthy Homes Program is "To reduce health and safety hazards in housing in a comprehensive and cost effective manner, with a particular focus on protecting the health of children and other sensitive populations in low income households." (*Leading Our Nation to Healthier Homes: The Healthy Homes Strategic Plan*, U.S. Department of Housing and Urban Development Office of Healthy Homes and Lead Hazard Control, 2010, p. 7.) An evaluation and summarization of grants awarded under the program was last completed in 2005 ("An Evaluation of HUD's Healthy Homes Initiative: Current Findings and Outcomes," Healthy Housing Solutions, March 5, 2007). The objectives of the Healthy Homes Demonstration (HHD) grants that will be evaluated through the effort described in this notice include:

- Carrying out direct remediation where housing-related hazards may contribute to injury or illness, with a focus on children's health;
- Delivering education and outreach activities to protect children from housing-related hazards; and
- Building capacity to increase the probability that aspects of grant-

supported Healthy Homes programs are sustained.

OHHLHC intends to administer an online questionnaire for up to 30 HHD grantees. This questionnaire will capture key project information to supplement information already available in reports and manuscripts from the approximately 54 HHD grants that were awarded from fiscal years 2005 to 2009, including any 2004 grant not included in the earlier evaluation, and any more recent grantee whose grant ends this fiscal year. OHHLHC is especially interested in determining whether any of the grantee's data sets (i.e., resulting from project evaluation) would be of value to OHHLHC for additional analyses. After a review of available reports and manuscripts, OHHLHC anticipates roughly half of these grantees (up to 30) will be asked to complete the online questionnaire. OHHLHC will target those grantees that have carried out the greatest number of interventions, collected the most detailed evaluation data on cost, health and housing impacts and outcomes, and can demonstrate significant capacity-building and sustainable approaches to guide policy development and guidance for future healthy homes efforts. A questionnaire was developed for the 2005 evaluation that captured key information about recruitment/enrollment, assessment, interventions, skills training, and community education/outreach in HHI grantee projects. This questionnaire will be modified for this new data collection effort. The online questionnaire will be administered through a secure Web site.

DATES: *Comments Due Date:* April 4, 2013.

Comments should refer to the proposal by name and/or OMB approval Number (2539-New) and should be sent to: HUD Desk Officer, Office of Management and Budget, New Executive Office Building, Washington, DC 20503; fax: 202-395-5806. I. Allocation

The Disaster Relief Appropriations Act, 2013 (Pub. L. 113-2, approved

January 29, 2013)(Appropriations Act) makes available \$16,000,000,000 in Community Development Block Grant (CDBG) funds for necessary expenses related to disaster relief, long-term recovery, restoration of infrastructure and housing, and economic revitalization in the most impacted and distressed areas resulting from a major disaster declared pursuant to the Robert T. Stafford Disaster Relief and Emergency Assistance Act of 1974 (42 U.S.C. 5121 *et seq.*) (Stafford Act), due to Hurricane Sandy and other eligible events in calendar years 2011, 2012, and 2013. The law provides that funds shall be awarded directly to a State or unit of general local government (UGLG) (hereafter local government) at the discretion of the Secretary. Unless noted otherwise, the term "grantee" refers to any jurisdiction receiving a direct award under from HUD under this Notice.

To comply with statutory direction that funds be used for disaster-related expenses in the most impacted and distressed areas, HUD computes allocations based on the best available data that cover all the eligible affected areas. This Notice allocates funds based on unmet housing and economic revitalization needs, but not infrastructure restoration needs as FEMA damage estimates are very preliminary as of the date of this Notice.

Based on a review of the impacts from Hurricane Sandy, and estimates of unmet need calculated by the Department, this Notice provides the following Round 1 awards:
