

**SUPPLEMENTARY STATEMENT FOR VA FORM 22-0810
Application for Reimbursement of National Exam Fee
(2900-0706)**

Public Law 111-377 (Post-9/11 Veterans Educational Assistance Improvement Act of 2010) amended the Post-9/11 GI Bill to allow eligible individuals to be reimbursed for approved national tests for admission to institutions of higher learning or graduate schools and for approved national tests providing an opportunity for course credit at institutions of higher learning. The eligibility criteria for qualifying for reimbursement remain unchanged. As such, VA is modifying VA Form 22-0810 to include an entry for Post-9/11 GI Bill applicants. VA does not anticipate an increase in the number of forms received as a result of the change.

There are no substantive changes being made and there is no change in annual respondent burden for this information collection.
