

Instructions For FSA-2038

FARM BUSINESS PLAN WORKSHEET- (Projected/Actual Income and Expense

This form is used to gather income and expense information from applicants and borrowers and used to make loan making and servicing decisions. The agency inputs the information provided in the Farm Business Plan.

Submit the original of the completed form in hard copy or facsimile to the appropriate USDA office.

Producers who have established electronic access credentials with USDA may electronically transmit this form to the USDA office, provided that the producer submitting the form is the only person required to sign the transaction.

Features for transmitting the form electronically are available to those producers with access credentials only. If you would like to establish online access credentials with USDA, follow the instructions provided at the USDA eForms web site.

Producers must complete all Items.
