Colleges and Majors

We want to know what major you'd like to study while in college. Please select at least one and a maximum of three choices from the list below. **We use your choices to make scholarship offer determinations.** Those who choose a major we have a difficult time filling (for example: meteorology or engineering) may have a selection advantage (all other factors equal) over those who choose a field we are not having a hard time filling (for example: history or political science). Since ROTC seldom allows scholarship winners to change majors once selected, **please choose only those majors you genuinely desire to study. Please do not attempt to re-submit a new application if you desire to choose a different major.**

*Question 42:

My First choice for a major is
