

## SUPPORTING STATEMENT

### Department of Defense Child Development Program DD FORM 2606 & DD FORM 2652

#### A. JUSTIFICATION

##### 1. Need for Information Collection

The collection activity is under review as DoD Instruction 6060.02, "Child Development Programs" (CDPs), is being reissued per DoDI 5025.01, "DoD Issuance Process." The DoD requires the information in the proposed collection for program planning and management purposes. This rule includes three collection instruments to include DD Form 2606, "Department of Defense Child Development Program Request for Care Record"; DD Form 2652 "Application for Department of Defense Child Care Fees"; and DD Form X656 "Basic Criminal History and Statement of Admission". DoD is seeking clearance of DD Form 2606 and DD Form 2652 with this submission:

- a. The completion of DD Form 2606, "Department of Defense Child Development Program Request for Care Record" is required for all patrons to apply for child care and collects general information in regards to the sponsor and family. This form is only completed once at the time child enrolls. The DD Form 2606 was included in the previous DODI 6060.2 "Child Development Programs" and has been slightly revised; and,
- b. The completion of DD Form 2652, "Application for Department of Defense Child Care Fees" is utilized for patrons to apply for DoD child care subsidies based on total family income (TFI). Basic family information and income data is collected. This form is completed annually. The DD Form 2652, "Application for Department of Defense Child Care Fees" was included in the previous DODI 6060.2 "Child Development Programs" and has undergone minor revisions. No secondary checks on income or housing allowances are conducted.

All forms have been revised or created to remove or omit any reference to social security numbers of individuals.

The information collected through DD Form 2606, DD Form 2652 and DD Form X656 is collected under the authority of PL 101-89 and EO 9397.

Respondents for the information collection through DD Form 2602 and DD Form 2652 are patrons enrolling their children in CDPs.

##### 2. Use of Information

The DoD CDP requires the information in the proposed collections for program planning and management purposes.

The information from the DD Form 2606 is used to place applicants into programs or onto waiting lists for child development program services. It is also used to assist management in the determination in the effectiveness of present and projection of future program requirements.

The information from the DD Form 2652 is used to apply child care fee subsidies for families enrolled in the DoD CDP.

Information collected on the form may be shared on a need to know basis within the DoD, and otherwise as provided by the Privacy Act, 5 U.S.C. 552a. In addition to those disclosures generally permitted under 5 U.S.C. 552a (b) of the Privacy Act of 1974, these records may specifically be disclosed outside the DoD as a routine use pursuant to 5 U.S.C. 552a (b)(3) as identified on the Army SORN A0608-10 CFSC, Air Force SORN F034 AF SVA, and Navy SORN NM01754-3, (atch 4) and the DoD Routine Blanket Uses published at [http://dpclo.defense.gov/privacy/SORNs/blanket\\_routine\\_uses.html](http://dpclo.defense.gov/privacy/SORNs/blanket_routine_uses.html).

### 3. Improved Information Technology

While these forms can be downloaded as fillable .pdf's, there is not an electronic collection system in place for these forms. As electronic collection systems are developed, a Privacy Impact Assessment will be conducted for all forms by the respective Military service. Army Privacy Impact Assessment for RecTrac system is provided in Supporting Documentation.

### 4. Efforts to Identify Duplication

In regards to DD Form 2602 and DD Form 2652, the enrollment or application information for this collection is unique to each individual and there is not information already available which can be used, or modified for use, for the purposes of this collection. Efforts have been made to limit the amount of duplicate information as well as eliminate unneeded information.

### 5. Methods Used to Minimize Burden on Small Entities

The collection of information does not have any burden on small businesses or other entities.

### 6. Consequences of Not Collecting the Information

Completion of DD Form 2606 is voluntary; however, failure to furnish requested information will result in an incomplete request for care record and possible loss of placement within DoD Child Development Programs.

Completion of DD Form 2652 is voluntary; however, failure to furnish requested information will result in the family being placed in the highest DoD fee category for child care.

Additionally, the information collected on both the DD Forms 2606 and 2652 is utilized for future planning of child development programs.

7. Special Circumstances

There are no special circumstances that require the collection to be collected in a manner inconsistent with the guidance delineated in 5 CDR 1302.5(d)(2)

8. Agency 60-Day Federal Register Notice and Consultations Outside the Agency

- a. This collection was published in the Federal Register for public comment on September 5, 2013 (78 FR 54633). No Comments were received. The 30 Day Notice was published in the Federal Register for public comment on January 30, 2014 (79 FR 4888). The comment period for this notice is still currently open.
- b. Efforts have not been made to consult with respondents. Information collected on the DD Forms 2606, 2652 only asks basic questions to be able to place applicants on waiting lists for CDP services, determine what DoD fee category the family will be placed in. In the case of the DD Form X656, basic criminal history is asked for as well as a statement regarding the understanding of the background check process necessary for employment.
