Rate Review Grant Program Detailed Rate Filing Data "Data Dictionary"

SERFF Tracking Number/Rate Filing ID:

- Clarified the description in order to more clearly denote that this data can be derived from the NAIC/SERFF data system or another state-specific rate filing system.

Product Type/Type of Insurance:

- The field "Product Type" was renamed "Type of Insurance," in order to be consistent with the way in which the NAIC/SERFF describes this data. In addition, the description was clarified in order to more clearly reference the specific NAIC/SERFF field that this data can be derived from.

Plan ID:

- Renamed "Plan ID" to reflect the current CCIIO terminology, specifically "Standard Component ID".
- Updated data submission requirements in order to make this field optional, rather than mandatory.

Plan name:

- Updated data submission requirements in order to make this field optional, rather than mandatory.
